**NOTICE REGARDING PROPOSED CHANGES TO PENSIONS
IN THE CITY'S PLAN OF ADJUSTMENT
AND YOUR RIGHT TO VOTE ON THE PLAN**

Introduction

This Notice gives (i) retirees or surviving beneficiaries who are currently receiving pension benefits from the City of Detroit Retirement Systems and (ii) active and former employees who have earned pension benefits from the City of Detroit based on your employment a short summary as to how the City's proposed plan of adjustment (the "**Plan**") and the restructuring described in the Plan will affect your future pension benefits. This information is being provided to you so that you can make an informed decision about voting on the City's Plan.

This Notice provides you with:

- background information about the process for approval of the Plan by the Bankruptcy Court, and
- details about how the proposed Plan will impact your benefits.

IF APPROVED BY THE BANKRUPTCY COURT, THE CITY'S PLAN OF ADJUSTMENT WILL REDUCE YOUR PENSION BENEFITS. YOU CAN VOTE FOR OR AGAINST THE PLAN, BUT YOU CANNOT AVOID A REDUCTION IN YOUR PENSION BENEFITS BY REFUSING TO VOTE ON THE PLAN.

YOUR VOTE MATTERS.

PLEASE READ THIS ENTIRE NOTICE CAREFULLY. DETAILS OF HOW TO OBTAIN ADDITIONAL INFORMATION ARE PROVIDED BELOW.

SPECIAL NOTICE REGARDING RELEASES. IF THE CITY'S PLAN (INCLUDING THE PROPOSED BENEFIT REDUCTIONS) IS APPROVED AND THE OUTSIDE FUNDING FOR PENSION BENEFITS DESCRIBED IN THIS NOTICE IS APPROVED, AND YOUR PENSION BENEFITS ARE REDUCED THROUGH THE IMPLEMENTATION OF THE CITY'S PLAN, YOU MAY LOSE ALL OF YOUR RIGHTS TO SUE THE CITY AND THE STATE TO TRY TO RECOVER THE FULL AMOUNT OF YOUR PENSION BENEFITS UNDER THE MICHIGAN CONSTITUTION OR OTHER LAWS.

BACKGROUND REGARDING DETROIT'S PENSION OBLIGATIONS

The City sponsors and provides its employees with pension benefits through two separate pension funds – the General Retirement System ("**GRS**") and the Police and Fire Retirement System ("**PFRS**"). Generally, if you were a uniformed police or fire-fighter employee, you receive your pension payments through PFRS and, if you were a non-uniformed employee, you receive your pension payments through GRS. Generally, before the bankruptcy, the City was required to contribute cash into the GRS and PFRS so that these pension funds would have enough money to pay the pensions that you earned during your employment by the City.

At the time the City filed for bankruptcy, both GRS and PFRS were underfunded. "Underfunded" means that GRS and PFRS have enough assets to pay pensions in the short term, but they do not have enough assets to pay all pensions in full over the long term. The amount of the underfunding is a debt that the City owes to each pension fund (and those entitled to receive benefits from that fund). The underfunding debt creates a "claim" in the City's bankruptcy. The Plan proposes to restructure this debt through reductions in your pension benefits, contributions of money by outside funders to the Retirement Systems and the City's promise to fund the reduced benefit levels going forward.

If you are either (i) retired, (ii) disabled or (iii) a surviving beneficiary of a City employee, and you are currently receiving a pension, you have a "**Pension Claim**" in the bankruptcy in connection with this underfunding debt. As a holder of a Pension Claim, you have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

Similarly, **if you are an active employee of the City (or a former employee) who has earned the right to a pension upon your future retirement based on your years of service with the City**, you also have a "**Pension Claim**" in the bankruptcy. As a holder of a Pension Claim, you also have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

BACKGROUND REGARDING
DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On April 25, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to reduce pension benefits and OPEB benefits. Along with the Plan, the City also filed a document called the "Third Amended Disclosure Statement with Respect to Third Amended Plan for the Adjustment of Debts of the City of Detroit." The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;
- a description of how the Plan will restructure the City's debts for different types of creditors, including retirees and active or former City employees, by reducing or changing the amounts it will pay and the timing and terms of repayment;
- how the City proposes to implement the Plan;
- the legal effects of approval of the Plan by the Bankruptcy Court;
- instructions regarding voting on the Plan; and
- risk factors associated with the Plan.

Classification of Pension Claims in the Plan

Under the Plan, pension-related claims against the City are divided into different classes. Claims related to PFRS pensions are in Class 10.

- **If you participate in PFRS, your Pension Claim is what the Plan calls a "PFRS Pension Claim." Your PFRS Pension Claim is included in Class 10 of the Plan.**
- The amount of all PFRS Pension Claims that has been estimated for purposes of voting on the Plan is \$1,284,000,000. This amount is equal to the estimated amount of the "underfunding" for PFRS as of June 30, 2013. That is, it is equal to the difference between the market value of the assets in PFRS as of June 30, 2013 and the present value of the liabilities of PFRS (in other words, the total amount of all PFRS pension benefits accrued by all City employees, former employees, retirees and survivors) as of June 30, 2013. If you are the holder of a PFRS Pension Claim, the value of your PFRS Pension Claim is equal to your share of this \$1,284,000,000 and is stated on the Ballot that you received with this Notice. The amount stated on your Ballot is the estimated amount of your PFRS Pension Claim **only for purposes of counting votes for the Plan. It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.**
- If you are an active or former employee who was not receiving a PFRS pension as of March 1, 2014, the actual value of your pension will not be calculated until you retire. Your claim and your pension are different things. For purposes of counting votes for the Plan, your Ballot contains a rough estimate of your portion of the total PFRS Pension Claim based on your age and years of service. **It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.**

If you also worked for other City departments (or you are a surviving beneficiary of someone who worked in another City department), you may also have a right to a pension from the General Retirement System of the City of Detroit (the "GRS"). If so, you will receive a separate Notice and Ballot for voting your GRS Pension Claim in Class 11 of the Plan.

If you are currently retired or are a surviving beneficiary, you also have a separate claim for retiree health or other post-employment benefits (an "OPEB Claim"). You will receive a separate Notice and Ballot for voting your OPEB Claim in Class 12 of the Plan.

The Solicitation Package and Voting

This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total the amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a reduction in your pension benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at www.kccllc.net/detroit; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC
2335 Alaska Avenue
El Segundo, CA 90245

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.
2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").
3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.

5. Letters from PFRS, the Retired Detroit Police & Fire Fighters Association and possibly others.
6. A Ballot for your PFRS Pension Claim, with instructions on how to complete the Ballot, and a Ballot return envelope. Your Ballot for your PFRS Pension Claim has been customized to provide you with information about the Plan's impact on your future annual cost-of-living adjustments – sometimes called "escalators" in the collective bargaining agreements ("**COLAs**"), depending upon whether both pension classes (Class 10 and Class 11) accept the Plan *or* if one or more of them rejects the Plan.

Please read the instructions, and complete, sign and return the Ballot early enough so that it will be actually received by the Balloting Agent in California by no later than July 11, 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE PENSION BENEFITS***

The Plan provides for two alternatives for your pension benefits. The Plan will not reduce your monthly pension payments, but it will reduce your annual "escalators" or COLAs either by 55% (Alternative A) or eliminate them entirely (Alternative B). Alternatives A and B are described in the chart on page 9. The amount of the pension reductions depends upon whether you and others in Class 10 and those in Class 11 (those holding GRS Claims) vote to accept the Plan and the Outside Funding is received.

The Outside Funding

The Plan contemplates that \$816 million in funding from outside sources as a settlement of certain issues affecting the City and its retirees will be contributed to GRS and PFRS over 20 years ***if and only if both Classes 10 and 11 vote to accept the Plan.*** These outside sources are: (i) funders of the non-profit corporation that operates the Detroit Institute of Arts, (ii) 12 charitable foundations and (iii) the State of Michigan. Their collective contributions are called the **"Outside Funding."**

You will receive reduced COLAs if the Outside Funding is available. All COLAs will be eliminated if the Outside Funding is not available.

If one Class of pension claims votes to accept the Plan and the other Class of pension claims votes to reject the Plan, the Outside Funding for the pensions will not be available.
If both Classes of pension claims vote to reject the Plan, this additional Outside Funding for the pensions will not be available.

IN OTHER WORDS, BOTH CLASS 10 AND CLASS 11 MUST VOTE TO ACCEPT THE PLAN IN ORDER FOR THE OUTSIDE FUNDING TO BE CONTRIBUTED TO FUND PENSIONS.

For a Class to vote to accept the Plan, more than two-thirds in amount of claims and one-half in number of Class members who actually vote must vote "YES" to accept the Plan.

There are other conditions to the receipt of the Outside Funding that must also be met for the money to be contributed. Those are described in the Plan. Therefore, even if Classes 10 and 11 both vote to accept the Plan, there is a risk that the payments from the Outside Funding may not be made as promised. The Plan does not require the City to make up for any missed payments.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will benefit if the Outside Funding is received, but you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

A summary chart showing the difference in estimated adjustments to pension benefits if Outside Funding is, or is not, received for PFRS appears below.

Alternative A: Estimated Adjustments to Pension Benefits if Classes 10 and 11 Vote Yes on the Plan and Outside Funding is Received and the Court Approves the Plan¹

- You will receive 100% of your current pension and 45% of your annual "escalators" or COLAs over your lifetime
 - No reduction in current and future monthly pension payments
 - Elimination of 55% of your annual "escalators" or COLA
- COLAs are approximately 18% of the total value of PFRS liabilities; 55% of COLAs equate to a reduction of about 9.9%
- The value of the COLA to you depends largely upon your age and the size of your current pension; yours could be more or less
- The PFRS plan will be "frozen." The impact of this is to reduce liabilities by about \$55 million – or roughly 7.5% of the active employee liabilities, or 1% of the total PFRS liabilities.

Alternative B: Estimated Adjustments to Pension Benefits if either Class 10 or Class 11 Votes No on the Plan and No Outside Funding is Received and the Court Approves the Plan

- You will receive 100% of your current pension but no COLAs over your lifetime
 - No reduction in current and future monthly pension payments
 - Elimination of 100% of COLAs
- COLAs are approximately 18% of the total value of PFRS liabilities; the value of the COLA to you depends largely upon your age and the size of your current pension; your total reduction could be more or less

¹ Under the Plan, benefits may be reduced more than 55% of COLA for PFRS if one of the foundations or the DIA Corp. does not make its promised contribution. It cannot be predicted with any certainty at this time how much of a reduction may occur if such a funding default were to happen.

- The PFRS plan will be "frozen." The impact of this is to reduce liabilities by about \$55 million – or roughly 7.5% of the active employee liabilities, or 1% of the total PFRS liabilities.

Please see the charts attached to your Ballot to help you understand how these reductions and elimination of COLAs ("escalators") will affect the typical PFRS pension.

Pension Litigation and How It Affects the Plan

PFRS, GRS, the Retiree Committee, several unions and several associations representing the City's retirees have appealed from the Bankruptcy Court's ruling that found the City to be eligible to file its bankruptcy case and also held that accrued pension benefits could be reduced. The appeals are pending before the United States Court of Appeals for the Sixth Circuit.

The Outside Funding of \$816 million will not be available for PFRS or GRS if these appeals continue. The Outside Funding will only be available if these appeals are resolved, dismissed or withdrawn prior to approval of the Plan.

If the appeals continue and are successful and no further appeals or other legal actions are taken, then either the City's bankruptcy case may be dismissed (and no plan would be confirmed), or the appellate court may hold that, although the City may pursue a restructuring in this bankruptcy case, it cannot reduce or impair your pension (and the Plan could not be confirmed). In either case, the Outside Funding of \$816 million would not be available for PFRS and GRS.

Even if the appellate court decides that the City cannot legally reduce your pension, the City's financial problems mean that it would still not have enough money to make the required pension contributions to PFRS or GRS. So you would still not be assured of receiving a full pension payment even if you had a legal right to a full pension payment.

If the appeals are unsuccessful and no further appeals or other legal actions are taken, then the Plan as written will be unaffected.

If the Plan is approved and the Outside Funding described in this Notice is approved, you will lose all of your rights to sue the City and the State to try to recover the full amount of your pension benefits under the Michigan Constitution or other laws.

Your PFRS Adjusted Pension Amount (Class 10)

Your already-accrued pension benefit amount, as it will be adjusted/reduced by the Plan as shown in the chart above, is called your "PFRS Adjusted Pension Amount." Your monthly pension amount will not change under the Plan, but the annual "escalators" or COLAs that you were entitled to will either be reduced or eliminated.

If you are currently a retiree or a surviving beneficiary drawing a pension, you will continue to receive the same monthly pension amount if the Plan is approved, but your annual "escalators" (or COLAs) will change. Your Ballot enclosed with this Notice contains the two scenarios that will affect your COLAs under the Plan: (i) under Alternative A, your annual COLA will be reduced by 55%, but you will still receive 45% of your COLA if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received); and (ii) under Alternative B, your annual COLA will be eliminated if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received).

The City cannot ensure collection of the Outside Funding, and a failure to collect the Outside Funding may cause a further reduction in your PFRS Adjusted Pension Amount.

If you are a former employee who has earned a pension but has not yet retired and begun to receive your pension, your starting monthly pension amount upon your future retirement will be your earned pension at the time of your termination, but your annual "escalators" (or COLAs) will be reduced or eliminated. Your Ballot enclosed with this Notice contains the two scenarios that will affect your COLAs under the Plan: (i) under Alternative A, your annual COLA will be reduced by 55%, but you will still receive 45% of your COLA if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received); and (ii) under Alternative B, your annual COLA will be eliminated if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received).

If you are an active employee who is not currently collecting pension payments but you have earned a monthly pension based on employment with the City and you are currently vested in such monthly pension or you work enough years with the City before and after June 30, 2014 to become vested in such monthly pension, you will receive upon your future retirement a monthly pension equal to the sum of (i) your PFRS Adjusted Pension Amount, which will be the same starting monthly pension amount you earned as of June 30, 2014 under the current pension program, but your annual COLAs will be

reduced or eliminated, plus (ii) your "New Accrued Pension." Your "New Accrued Pension" is the part of your pension that will be earned under a new "hybrid" pension plan based upon service from and after July 1, 2014. This is called the "New PFRS Active Pension Plan" in the Plan. Your Ballot enclosed with this Notice contains the two scenarios that will affect your COLAs for your accrued benefits as of June 20, 2014 under the Plan: (i) under Alternative A, your annual COLA will be reduced by 55%, but you will still receive 45% of your COLA if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received); and (ii) under Alternative B, your annual COLA will be eliminated if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received). Neither of these estimates includes any amount attributable to any employment with the City from and after July 1, 2014, and they do not include any pension amount you will earn under the New PFRS Active Pension Plan after July 1, 2014.

PFRS Pension Reductions & the PFRS Adjusted Pension Amount

1. **If you are a current retiree or a surviving beneficiary who currently receives a monthly pension**, your monthly pension amount will not change under the Plan. However, your annual "escalators" or COLAs will be either be reduced by 55% or eliminated completely, depending on whether all of the Outside Funding is available. Over time, the loss of COLAs will affect younger retirees (or active employees with a vested pension benefit) more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs.

Example 1: John Smith is age 70. He currently receives a \$30,000 pension, plus he is entitled to an annual 2.25% increase (COLA or "escalator") in his current pension each July 1.

Alternative A: If Classes 10 and 11 accept the Plan, John Smith will continue to receive \$30,000 per year, and it will be increased annually by 45% of the COLA ("escalator") formula, or 1.0125%.

Alternative B: If Classes 10 and 11 do not accept the Plan, John Smith will receive \$30,000 per year, and it will not be increased annually. He will receive \$30,000 annually for life.

2. **If you are a former employee who earned a vested pension before separation from employment with the City**, the starting monthly pension amount that you will be paid upon your future retirement will not change. However, your

future annual "escalators" or COLAs will either be reduced 55% or eliminated completely depending on whether all of the Outside Funding is available. Over time, the loss of COLAs will affect younger terminated employees with vested benefits more than it will affect older retirees because younger people can generally expect to receive more years of annual COLAs.

Example 2: Jane Jones is age 50. She terminated employment 10 years ago after serving 10 years as a firefighter. She has a right to receive a \$30,000 pension at age 62, plus an annual 2.25% increase (COLA or "escalator") of her current annual pension each July 1.

Alternative A: If Classes 10 and 11 accept the Plan, Jones will receive at retirement \$30,000 per year, and it will be increased annually by 45% of the COLA ("escalator") formula, or 1.0125%.

Alternative B: If Classes 10 and 11 do not accept the Plan, Jane Jones will receive \$30,000 per year, and it will not be increased annually. She will receive \$30,000 annually for life.

3. If you are an active employee who has earned a monthly pension to be paid upon your future retirement, you will continue to grow your pension under the current pension formula through June 30, 2014. At that point, your pension benefits will be frozen (meaning that you will not earn any more benefits under the current pension plan formula), and you will not be able to earn any additional pension amounts under the current PFRS pension formula. If the Plan is approved, your frozen monthly pension amount will be the same as your current pension earned as of June 30, 2014, but your future annual "escalators" or COLAs will either be reduced by 55% or eliminated entirely, depending on whether all of the Outside Funding is available. If you work long enough (both before and after June 30, 2014) to become vested in your reduced frozen pension benefit, you will be able to receive your reduced frozen pension payment upon attaining a sufficient number of years of service as provided for under the current pension formula. As noted above, your reduced pension amount is called your "PFRS Adjusted Pension Amount." Over time, the loss of COLAs will affect younger retirees (or active employees with vested pension benefits) more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs.

4. If you are an active employee and you continue to work for the City after July 1, 2014, you will also earn a new monthly pension under the New PFRS Active Pension Plan that will be paid at retirement along with your PFRS Adjusted

Pension Amount. The monthly pension amount that you earn after July 1, 2014 is called your "**New Accrued Pension.**" The pension formula for years of service after July 1, 2014 will be less generous than the formula that currently applies to your pension. For purposes of determining whether you are vested in your New Accrued Pension, your service with the City before and after July 1, 2014 will be taken into account. You will no longer be entitled to elect into a deferred retirement option plan ("DROP"), either for your frozen benefit or for your New Accrued Pension. If you previously irrevocably elected into a DROP, you will continue to participate in the DROP in accordance with the terms of the bargaining agreement between the City and your union.

Example 3: John Johnson is age 42. As of June 30, 2014, he will have earned – based on his then salary and years of service – a \$30,000 annual pension. He also will have earned a right to a 2.25% annual increase (COLA or "escalator") in his annual pension each year following retirement. If Classes 10 and 11 approve the Plan, Johnson's \$30,000 frozen accrued pension will be increased by 45% of the 2.25% COLA ("escalator") formula (*i.e.*, it will be increased annually by 1.0125%). Johnson works for another 10 years, and retires on July 1, 2024. Under the PFRS New Accrued Pension, he earns a \$7,500 annual pension for life.

Alternative A: At retirement, Johnson will receive the following: (i) an annual \$30,000 pension under the old formula with a 1.0125% COLA escalator, plus (ii) an annual \$7,500 pension under the PFRS New Accrued Pension, for a total annual pension for life of \$37,500 with the reduced COLA escalator payable on his annual pension under the old formula.

Alternative B: If Classes 10 and 11 do not approve the Plan, John Johnson will receive at retirement \$37,500 per year (\$30,000 + \$7,500), and it will not be increased annually. He will receive \$37,500 annually for life.

PFRS Pension Funding

5. In the event that all of the Outside Funding is made available (a portion of which will be made available to PFRS) and that Classes 10 and 11 both have accepted the Plan, during the period through June 30, 2023, contributions in

the amount of approximately \$260 million will be made to PFRS. Other than the Income Stabilization funds discussed below, these are the only amounts that are contemplated to be contributed to PFRS during this period. These contributions will be paid only from the Outside Funding. During this period, the City will not pay any money for PFRS pensions. If the Outside Funding is not paid as required by the Plan, it is not contemplated that the City would make up these amounts.

6. Beginning on and after July 1, 2023, approximately \$68 million in Outside Funding will be available for PFRS. The City will be responsible for contributing all other amounts annually determined by PFRS to be necessary to fund the PFRS pension trust and to enable PFRS to pay your PFRS Adjusted Pension Amount (and your New Accrued Pension, if you are an active employee). The City will make the necessary contributions from its future tax revenues and available cash.

PFRS Pension Restoration

7. The pension benefits reductions that are discussed in Paragraphs 1, 2 and 3 above may be restored, in whole or in part, if the funding level² of PFRS significantly improves and the PFRS trustees have complied with certain requirements described in the State Contribution Agreement. This restoration may occur if (a) the investment returns on PFRS assets are greater than certain specified thresholds or (b) other actuarially-determined factors contribute to improve the funding level of PFRS. In other words, if PFRS pension funding levels improve, your PFRS Adjusted Pension Amount may be increased, and some or all of your future COLA payments could be restored. Any pension restoration will be used to increase first, the COLA payments to retirees, surviving spouses, and beneficiaries in pay status as of June 30, 2014 up to 66% of the value of their COLAs; second, the COLA payments to retirees, surviving spouses, and beneficiaries in pay status as of the date that restoration is determined who were not in pay status as of June 30, 2014 up to 66% of the value of their COLAs; and third, to all participants and beneficiaries in the PFRS, including PFRS plan participants not in pay status as of the date that restoration is determined.

² "Funding level" means the market value of PFRS' assets as a percentage of PFRS' liabilities to all participants for PFRS Adjusted Pension Amounts projected forward to 2023 and later. For example, if (a) the market value of PFRS' assets were \$100 and (b) the amount of its liabilities to all participants for PFRS Adjusted Pension Amounts were also \$100, the "funding level" for PFRS would be 100%. If, however, (a) the market value of PFRS' assets were \$80 and (b) the amount of its liabilities were \$100, the "funding level" for PFRS would be 80%.

During the nine-year period ending June 30, 2023, the pension restoration program generally will work as follows: The PFRS will establish a "restoration fund reserve account" within the pension system. Each year, the PFRS actuary will perform a projection of the funded status of the PFRS. If the actuarial projection demonstrates that the PFRS will be at least 78% funded as of June 30, 2023, then the PFRS assets not needed to achieve the 78% funding level will be allocated to the restoration fund reserve account. Restoration payments may be made in any given year, through June 30, 2023, if (a) the PFRS trustees have complied with certain requirements describe in the State Contribution Agreement, (b) the actuarial projection for that year demonstrates that the funding ratio exceeds 76% and (c) there are sufficient assets assigned to the restoration fund reserve account to fully fund the restoration payment amount over the expected lifespans of the recipients. In other words, if PFRS pension funding levels improve (and other criteria are met), a portion of your PFRS COLA ("escalator") payments in excess of 45% could be restored.

Restoration of COLA benefits, particularly until 2023, cannot be assured. After 2023, restoration of certain benefits may be possible, but it cannot be predicted at this time whether or when any restoration will occur.

Example 4: Under Alternative A, John Smith, age 70, is receiving a current \$30,000 annual pension and 45% of his COLA escalator (which amounts to a 1.0125% escalator). In 2018, PFRS concludes that the restoration reserve account has sufficient assets to fully fund an increase in COLA for Smith to 66% of his COLA escalator, and that the other conditions governing pension restoration are satisfied. On July 1, 2019, Smith will receive his \$30,000 pension as it was increased by the 1.0125% COLA until June 30, 2018 and with a 1.485% increase.

Fund for Income Stabilization

The trust agreements of each of GRS and PFRS will be amended to provide a supplemental pension income stabilization benefit ("**Income Stabilization Benefit**") to each Eligible Pensioner (defined below) equivalent to the lesser of (a) the amount needed to restore 100% of the individual's reduced pension payment to the amount of the pension payment that the Eligible Pensioner received in actual dollars in 2013; or (b) the amount needed to bring the total household income of the Eligible Pensioner up to 130% of the Federal Poverty Level in the year in which the pension is received.

The PFRS Income Stabilization Benefits will be paid from the Income Stabilization Fund of PFRS. The Income Stabilization Fund of PFRS will be funded with certain proceeds of a settlement with certain bond creditors, up to an aggregate amount of \$20 million to be divided between the Income Stabilization Fund of PFRS and the Income Stabilization Fund of GRS.

Under the Plan, PFRS will establish an "**Investment Committee**" for the purpose of making recommendations to the PFRS board of trustees with respect to certain financial matters. The Investment Committee will consist of five independent members and two or more non-independent members, which non-independent members may include employees of the City or members or retirees of PFRS, provided that at all times during the 20-year period following disbursement of the State Contribution, the independent members shall have at least 70% of the voting power. Each independent Investment Committee member shall possess, by reason of training or experience or both, a minimum level of expertise in managing or advising pension systems, all as agreed to by the City, the State and PFRS, after consultation with the Foundations.

In the event that, in 2022 (provided that the State has not issued a certificate of default with respect to PFRS at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee of PFRS that the Income Stabilization Fund of PFRS has more assets than it needs to provide Income Stabilization Benefits, the PFRS Investment Committee may recommend to the board of trustees that the excess assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Pension Amounts payable by PFRS. In the event that any funds remain in the Income Stabilization Fund of PFRS on the date upon which no Eligible Pensioners under PFRS remain, such funds shall be used to fund the Adjusted Pension Amounts payable by PFRS.

"Eligible Pensioners" are those retirees or survivors who hold a Pension Claim and who are eligible to receive Income Stabilization Benefits because such Holder (a) is, as of the effective date of the Plan, at least 60 years of age or a minor child receiving survivor benefits from PFRS and (b) has an aggregate annual household income equal to or less than 140% of the Federal Poverty Level in 2013 (per their (or in the case of minor children, their legal guardian's) 2013 income tax returns or equivalent documentation). No new persons will be eligible to receive Income Stabilization Benefits at any time in the future, and any minor child receiving survivor benefits shall cease to be an Eligible Pensioner after he or she turns 18 years of age.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your pension. You will only have the right to your reduced pension benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims against the City. This is called the **"Comprehensive State Release."** The Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State entities to restore pension benefits or argue that the City did not have the power to reduce pensions, even if you vote to reject the Plan.** Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. If you are an active employee, the Comprehensive State Release does not release or discharge rights you have to your New Accrued Pension.

If the Bankruptcy Court confirms the Plan but does not approve the Comprehensive State Release (or if the other conditions to Outside Funding are not met), the State does not have to contribute its \$350 million State Contribution to the Pension Funds. If the State's money is not contributed, then

none of the other sources of Outside Funding will make their payments, either. In that case, none of the \$816 million in contributions will be made to the pension plans, Alternative B will take effect, and your COLAs will be eliminated.

Release by Claim Holders Accepting the Plan

The Plan also provides for an "**Accepting Holders Release.**" The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are providing Outside Funding and their related entities **except for** such parties' gross negligence or willful misconduct, but only if the Initial Funding Conditions (which include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things) that can be satisfied before the Confirmation Hearing are satisfied or waived.

In other words, if you vote to accept the Plan, you may not be allowed to sue the State, the City or any State individuals or entities to restore pension benefits or argue that the City did not have the power to reduce pensions.

However, if Classes 10 and 11 vote to accept the Plan, **but the Initial Funding Conditions are not satisfied or waived before the Confirmation Hearing**, then your vote to accept the Plan will be treated as a vote to **reject** the Plan, and the voluntary Accepting Holders Release will **not** apply to you.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding, the City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

BACKGROUND REGARDING DETROIT'S PENSION OBLIGATIONS

The City sponsors and provides its employees with pension benefits through two separate pension funds – the General Retirement System ("**GRS**") and the Police and Fire Retirement System ("**PFRS**"). Generally, if you were a uniformed police or fire-fighter employee, you receive your pension payments through PFRS and, if you were a non-uniformed employee, you receive your pension payments through GRS. Generally, before the bankruptcy, the City was required to contribute cash into the GRS and PFRS so that these pension funds would have enough money to pay the pensions that you earned during your employment by the City.

At the time the City filed for bankruptcy, both GRS and PFRS were underfunded. "Underfunded" means that GRS and PFRS have enough assets to pay pensions in the short term, but they do not have enough assets to pay all pensions in full over the long term. The amount of the underfunding is a debt that the City owes to each pension fund (and those entitled to receive benefits from that fund). The underfunding debt creates a "claim" in the City's bankruptcy. The Plan proposes to restructure this debt through reductions in your pension benefits, contributions of money by outside funders to the Retirement Systems and the City's promise to fund the reduced benefit levels going forward.

If you are either (i) retired, (ii) disabled or (iii) a surviving beneficiary of a City employee, and you are currently receiving a pension, you have a "**Pension Claim**" in the bankruptcy in connection with this underfunding debt. As a holder of a Pension Claim, you have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

Similarly, **if you are an active employee of the City (or a former employee) who has earned the right to a pension upon your future retirement based on your years of service with the City**, you also have a "**Pension Claim**" in the bankruptcy. As a holder of a Pension Claim, you also have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

BACKGROUND REGARDING
DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On April 25, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to reduce pension benefits.

Along with the Plan, the City also filed a document called the "Third Amended Disclosure Statement with Respect to Third Amended Plan for the Adjustment of Debts of the City of Detroit." The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;
- a description of how the Plan will restructure the City's debts for different types of creditors, including retirees and active or former City employees, by reducing or changing the amounts it will pay and the timing and terms of repayment;
- how the City proposes to implement the Plan;
- the legal effects of approval of the Plan by the Bankruptcy Court;
- instructions regarding voting on the Plan; and
- risk factors associated with the Plan.

Classification of Pension Claims in the Plan

Under the Plan, pension-related claims against the City are divided into different classes. Claims related to GRS pensions are in Class 11.

- **If you participate in GRS, your Pension Claim is what the Plan calls a "GRS Pension Claim." Your GRS Pension Claim is included in Class 11 of the Plan.**
- The amount of all GRS Pension Claims that has been estimated for purposes of voting on the Plan is \$1,976,000,000. This amount is equal to the estimated amount of the "underfunding" for GRS as of June 30, 2013. That is, it is equal to the difference between the market value of the assets in GRS as of June 30, 2013 and the present value of the liabilities of GRS (in other words, the total amount of all GRS pension benefits accrued by all City employees, former employees, retirees and survivors) as of June 30, 2013. If you are the holder of a GRS Pension Claim, the value of your GRS Pension Claim is equal to your share of this \$1,976,000,000 and, for voting purposes only, any estimated amount of the Annuity Savings Fund Recoupment (defined below). This amount is stated on the Ballot that you received with this Notice. The amount stated on your Ballot is the estimated amount of your GRS Pension Claim **only for purposes of counting votes for the Plan. It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.**
- **If you are an active or former employee who was not receiving a GRS pension as of March 1, 2014, the actual value of your pension will not be calculated until you retire. Your claim and your pension are different things. For purposes of counting votes for the Plan, your Ballot contains a rough estimate of your portion of the total GRS Pension Claim based on your age and years of service. It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.**

If you or a deceased spouse worked for the Police or Fire Departments of the City of Detroit, you may also have a right to a pension from the Police and Fire Retirement System of the City of Detroit (the "PFRS"). If so, you will receive a separate Notice and Ballot for voting your PFRS Pension Claim in Class 10 of the Plan.

If you are currently retired or are a surviving beneficiary, you also have a separate claim for retiree health or other post-employment benefits (an "OPEB Claim"). You will receive a separate Notice and Ballot for voting your OPEB Claim in Class 12 of the Plan.

The Solicitation Package and Voting

This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total the amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a reduction in your pension benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at www.kccllc.net/detroit; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.
2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").
3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.

5. Letters from GRS and possibly others.
6. A Ballot for your GRS Pension Claim with instructions on how to complete the Ballot and Ballot return envelope. Your Ballot for your GRS Pension Claim has been customized to provide you with personalized information as to how the City estimates that the Plan will affect your monthly pension benefit payment if both pension classes (Class 10 and Class 11) either accept the Plan or if one or more of them rejects the Plan.

Please read the instructions, and complete, sign and return the Ballot early enough so that it will be actually received by the Balloting Agent in California by no later than July 11, 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE PENSION BENEFITS***

The Plan provides for two alternatives for your pension benefits. Alternative A has lower pension reductions. Alternative B has higher pension reductions. Alternatives A and B are described in the chart on page 8. The amount of the pension reductions depends upon whether you and others in Class 11 and those in Class 10 (those holding PFRS Claims) vote to accept the Plan and the Outside Funding is received.

The Outside Funding

The Plan contemplates that \$816 million in funding from outside sources as a settlement of certain issues affecting the City and its retirees will be contributed to GRS and PFRS over 20 years ***if and only if both Classes 10 and 11 vote to accept the Plan.*** These outside sources are: (i) funders of the non-profit corporation that operates the Detroit Institute of Arts, (ii) 12 charitable foundations and (iii) the State of Michigan. Their collective contributions are called the **"Outside Funding."**

If one Class of pension claims votes to accept the Plan and the other Class of pension claims votes to reject the Plan, the Outside Funding for the pensions will not be available.
If both Classes of pension claims vote to reject the Plan, this additional Outside Funding for the pensions will not be available.

IN OTHER WORDS, BOTH CLASS 10 AND CLASS 11 MUST VOTE TO ACCEPT THE PLAN IN ORDER FOR THE OUTSIDE FUNDING TO BE CONTRIBUTED TO FUND PENSIONS.

For a Class to vote to accept the Plan, more than two-thirds in amount of claims and one-half in number of Class members who actually vote must vote "YES" to accept the Plan.

There are other conditions to the receipt of the Outside Funding that must also be met for the money to be contributed. Those are described in the Plan. Therefore, even if Classes 10 and 11 both vote to accept the Plan, there is a risk that the payments from the Outside Funding may not be made as promised. The Plan does not require the City to make up for any missed payments.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will benefit if the Outside Funding is received, but you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

A summary chart showing the difference in estimated adjustments to pension benefits if Outside Funding is, or is not, received for GRS appears below.

Alternative A: Estimated Adjustments to Pension Benefits if Classes 10 and 11 Vote Yes on the Plan and Outside Funding is Received and the Court Approves the Plan²

- You will receive 95.5% of your current pension and no "escalators" or COLAs over your lifetime and you will be subject to Annuity Savings Fund Recoupment
 - Three reductions apply: a 4.5% reduction in current and future monthly pension payments and elimination of COLAs and Annuity Savings Fund Recoupment
- COLAs are approximately 14.5% of the total GRS liabilities; the value of the COLAs to you depends largely upon your age and the size of your current pension
- Annuity Savings Fund Recoupment is expected to be about 8.8% of the total GRS liabilities; your portion could be more or less

Alternative B: Estimated Adjustments to Pension Benefits if either Class 10 or Class 11 Votes No on the Plan and No Outside Funding is Received and the Court Approves the Plan

- You will receive 73% of your current pension and no COLAs over your lifetime and you will be subject to Annuity Savings Fund Recoupment
 - Three reductions apply: a 27% reduction in current and future monthly pension payments and elimination of COLA and Annuity Savings Fund Recoupment

² Under the Plan, benefits may be reduced by more than COLA + 4.5% + ASF Recoupment for GRS if one of the foundations or the DIA Corp. does not make its promised contribution. It cannot be predicted with any certainty at this time how much of a reduction may occur if such a funding default were to happen.

- COLAs are approximately 14.5% of the total GRS liabilities; the value of the COLA to you depends largely upon your age and the size of your current pension
- Annuity Savings Fund Recoupment is expected to be about 8.8% of the total GRS liabilities (after COLA); your portion could be more or less

Please see the charts attached to your Ballot to help you understand how these reductions and elimination of COLAs ("escalators") will affect the typical GRS pension.

Pension Litigation and How It Affects the Plan

GRS, PFRS, the Retiree Committee, several unions and several associations representing the City's retirees have appealed from the Bankruptcy Court's ruling that found the City to be eligible to file its bankruptcy case and also held that accrued pension benefits could be reduced. The appeals are pending before the United States Court of Appeals for the Sixth Circuit.

The Outside Funding of \$816 million will not be available for GRS or PFRS if these appeals continue. The Outside Funding will only be available if these appeals are resolved, dismissed or withdrawn prior to approval of the Plan.

If the appeals continue and are successful and no further appeals or other legal actions are taken, then either the City's bankruptcy case may be dismissed (and no plan would be confirmed), or the appellate court may hold that, although the City may pursue a restructuring in this bankruptcy case, it cannot reduce or impair your pension (and the Plan could not be confirmed). In either case, the Outside Funding of \$816 million would not be available for GRS and PFRS.

Even if the appellate court decides that the City cannot legally reduce your pension, the City's financial problems mean that it would still not have enough money to make the required pension contributions to GRS or PFRS. So you would still not be assured of receiving a full pension payment even if you had a legal right to a full pension payment.

If the appeals are unsuccessful and no further appeals or other legal actions are taken, then the Plan as written will be unaffected.

If the Plan is approved and the Outside Funding described in this Notice is approved, you will lose all of your rights to sue the City and the State to try to recover the full amount of your pension benefits under the Michigan Constitution or other laws.

Your GRS Adjusted Pension Amount (Class 11)

Your already-accrued pension benefit amount, as it will be adjusted by the Plan as shown in the chart above, is called your "GRS Adjusted Pension Amount" in the Plan.

The City cannot ensure collection of the Outside Funding, and a failure to collect Outside Funding may cause a further reduction in your GRS Adjusted Pension Amount. The Plan provides for the Detroit Water and Sewer Department to pay for its portion of the GRS underfunding over nine years. There is a risk that these payments may not be permitted.

If you are currently a retiree or a surviving beneficiary drawing a pension, you will receive a revised monthly pension equal to your GRS Adjusted Pension Amount. Your Ballot enclosed with this Notice contains estimates that reflect Alternative A and Alternative B.

If you are a former employee who has earned a pension but has not yet retired and begun to receive your pension, you, too, will receive a revised monthly pension equal to your GRS Adjusted Pension Amount upon your retirement. Your Ballot enclosed with this Notice contains estimates that reflect Alternative A and Alternative B.

If you are an active employee who is not currently collecting pension payments but has earned a monthly pension based on your employment with the City, you will receive upon your future retirement a monthly pension equal to the sum of (i) your GRS Adjusted Pension Amount plus (ii) your "New Accrued Pension." Your "New Accrued Pension" is the part of your pension that will be earned under a new "hybrid" pension plan based upon service from and after June 30, 2014. This is called the "New GRS Active Pension Plan" in the Plan. Your Ballot enclosed with this Notice contains two estimates that reflect Alternative A and Alternative B, which will affect your future monthly pension earned as of July 1, 2014. Neither of these scenarios includes any pension attributable to any employment with the City from and after July 1, 2014,

and they do not include any pension amount you will earn under the New GRS Active Pension Plan after July 1, 2014.

If you maintained an Annuity Savings Fund account at any time during the period July 1, 2003 through June 30, 2013, your GRS Adjusted Pension Amount will include an adjustment to your Annuity Savings Fund account (if you are an active employee or a terminated employee with an Annuity Savings Fund account) or in your monthly pension check (if you are a retiree who has received a total distribution from the Annuity Savings Fund or a survivor of such a retiree under an annuity that provides survivor benefits) in an effort to recover certain excess interest that was credited to your Annuity Savings Fund account during this 10-year period. More information on these adjustments is set forth below under the heading "GRS Annuity Savings Fund Recoupment."

GRS Pension Reductions & the GRS Adjusted Pension Amount

1. **If you are a current retiree or a surviving beneficiary who currently receives a monthly pension**, then as soon as practical following the effective date of the Plan, your monthly pension will be reduced by either 4.5% or 27% (depending on whether the Outside Funding is available), **and** if you are a current retiree who maintained an Annuity Savings Fund account between July 1, 2003 and June 30, 2013, you will be subject to the Annuity Savings Fund Recoupment described on pages 14-19 below. The reduction in total GRS liabilities represented by the Annuity Savings Fund Recoupment is estimated to be an average 8.8% reduction of total GRS liabilities; your individual percentage reduction could be more or less. In addition, you will not receive any future COLAs to your pension payments. For GRS, these COLAs represent about 14.5% of total GRS liabilities. Over time, the loss of COLAs will affect younger retirees (or active employees with a vested pension benefit) more than it will affect older retirees because younger people can generally expect to receive more years of annual COLAs. Finally, if you participated in and received a distribution from the Annuity Savings Fund between July 1, 2003 and June 30, 2013, the reduction in your monthly pension will be greater than if you had not participated at all.

2. **If you are a former employee who voluntarily or involuntarily terminated employment with the City but earned a vested pension before separation**, the monthly pension amount that you will be paid upon your future retirement will be reduced by either 4.5% or 27% (depending on whether the Outside Funding is available), **and** you will be subject to the Annuity Savings Fund recoupment described on pages 14-19 below. The reduction in GRS

liabilities represented by the Annuity Savings Fund Recoupment is estimated to be an average 8.8% reduction of total GRS liabilities; your individual percentage reduction could be more or less. In addition, you will not receive any future COLAs to your pension payments. For GRS, COLAs represent about 14.5% of total GRS liabilities. Over time, the loss of COLAs will affect younger terminated employees with vested benefits more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs ("escalators"). Finally, if you participated in and received a distribution from the Annuity Savings Fund between July 1, 2003 and June 30, 2013, the reduction in your future monthly pension will be greater than if you had not participated at all.

3. If you are an active employee who has earned a monthly pension to be paid upon your future retirement, you will continue to grow your pension under the current pension formula through June 30, 2014. At that point, your pension benefits will be frozen (meaning that you will not earn any more benefits under the current GRS pension plan formula). If the Plan is approved, your frozen monthly pension amount will be reduced by either 4.5% or 27% (depending on whether the Outside Funding is available), **and** you will be subject to the Annuity Savings Fund Recoupment described on pages 14-19 below. You will be able to receive your reduced frozen pension payment upon attaining a sufficient number of years of service as provided for under the current pension formula. As noted above, your reduced pension amount is called your "GRS Adjusted Pension Amount." In addition, you will not receive any future COLAs ("escalators") to your pension payments. For GRS, COLAs represent about 14.5% of total GRS liabilities. Over time, the loss of COLAs will affect younger retirees (or active employees with vested pension benefits) more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs.

In addition, if you participate in the Annuity Savings Fund and continue to maintain an Annuity Savings Fund account, your Annuity Savings Fund account will be reduced by an amount equal to a portion of the excess investment earnings that were credited to that account during the years 2003 through 2013. If you are an active employee who participated in the Annuity Savings Account and already received a total distribution from the Annuity Savings Fund, then the reduction in your frozen monthly pension amount upon your future retirement will be greater than if you had not participated. The reduction in GRS liabilities represented by the Annuity Savings Fund Recoupment is estimated to be an average 8.8% of total GRS liabilities; your individual percentage reduction could be more or less. More information on Annuity Savings Fund Recoupment is described on pages 14-19 below.

4. **If you are an active employee and you continue to work for the City after July 1, 2014**, you will also earn a new monthly pension under the New GRS Active Pension Plan that will be paid at retirement along with your GRS Adjusted Pension Amount. The monthly pension amount that you earn after July 1, 2014 is called your "**New Accrued Pension.**" The pension formula for years of service after July 1, 2014 will be less generous than the formula that currently applies to your pension.

GRS Pension Funding

5. **In the event that all of the Outside Funding is made available (a portion of which will be made available to GRS) and that Classes 10 and 11 both have accepted the Plan**, during the period through June 30, 2023, contributions of over \$700 million will be made to GRS. Other than the Income Stabilization funds discussed below, these are the only amounts that will be contributed to GRS during this period. These contributions will be paid only from contributions from the Detroit Water & Sewer Department, from other City sources and from the Outside Funding. If the Outside Funding is not paid as required by the Plan, it is not contemplated that the City would make up these amounts.

6. Beginning on and after July 1, 2023, the City will be responsible for contributing all amounts annually determined by GRS to be necessary to fund the GRS pension trust and enable GRS to pay your GRS Adjusted Pension Amount (and your New Accrued Pension, if you are an active employee). The City will make the contributions from its available cash and approximately \$188 million from the Outside Funding during the ten year period from July 1, 2023 through June 30, 2033.

GRS Pension Restoration

7. The pension benefits reductions that are discussed in Paragraphs 1, 2 and 3 above may be restored, in whole or in part, if the funding level³ of GRS significantly improves. This restoration may occur if (a) the investment returns on

³ "Funding level" means the market value of GRS' assets as a percentage of GRS' liabilities to all participants for GRS Adjusted Pension Amounts projected forward to 2023 and later. For example, if (a) the market value of GRS' assets were \$100 and (b) the amount of its liabilities to all participants for GRS Adjusted Pension Amounts were also \$100, the "funding level" for GRS would be 100%. If, however, (a) the market value of GRS' assets were \$80 and (b) the amount of its liabilities were \$100, the "funding level" for GRS would be 80%.

GRS assets are greater than certain specified thresholds or (b) other actuarially-determined factors contribute to improve the funding level of GRS.

During the nine-year period ending June 30, 2023, the pension restoration program generally will work as follows: The GRS will establish a "restoration fund reserve account" within the pension system. Each year, the GRS actuary will perform a projection of the funded status of the GRS. If the actuarial projection demonstrates that the GRS will be at least 75% funded as of June 30, 2023, then the GRS assets not needed to achieve the 75% funding level will be allocated to the restoration fund reserve account. Restoration payments may be made in any given year through June 30, 2023, if (a) the GRS trustees have complied with certain requirements describe in the State Contribution Agreement, (b) the actuarial projection for that year demonstrates that the funding ratio exceeds 75%, (c) there are sufficient assets assigned to the restoration fund reserve account to fully fund the restoration payment amount over the expected lifespans of the recipients, and (d) the GRS funding level in the year of the restoration payment exceeds a certain threshold. In other words, if GRS pension funding levels improve (and other criteria are met), your GRS Adjusted Pension Amount may be increased, and some or all your future COLA ("escalator") payments could be restored.

Restoration of benefits, particularly until 2023, cannot be assured. After 2023, restoration of certain benefits may be possible, but it cannot be predicted at this time whether or when any restoration will occur.

GRS Annuity Savings Fund Recoupment

8. *What is the Annuity Savings Fund?* The Annuity Savings Fund ("ASF") is a voluntary, individual account pension program that operates within the GRS pension plan. If an employee chooses to participate in the ASF, a pension account is established for the employee, and he or she may voluntarily contribute 3%, 5% or 7% of gross pay, on an after-tax basis, to that account. The GRS trustees invest these contributions with other GRS assets. The GRS trustees are granted discretion to determine the annual interest to be credited on the employee contributions to the ASF accounts, and each employee's ASF account increases in value based upon the interest amounts that the GRS trustees credit to the ASF accounts. After 25 years of service, an active employee may elect to withdraw from his or her ASF account some or all of the accumulated contributions plus the investment earnings credited to that individual account. An active employee may borrow up to 50% of his or her ASF account. Upon retirement, an employee may elect to receive a lump sum distribution, or to annuitize some of his or her ASF account balance, which is added to his or her monthly pension payment and is

separately identified on a retiree's pension check. Any portion of the ASF balance that is not annuitized upon retirement is paid to the retiree in a partial or total lump sum distribution at the retiree's request.

"Excess Interest" to be Recovered. During the period from 2003 through 2013, the GRS trustees credited to employee ASF accounts annual interest of no less than 7.9%, and in some years more than 7.9%, based upon actuarial computations. The ASF accounts essentially were treated as a guaranteed investment program, where, each year, ASF account holders would receive a return of at least 7.9%, regardless of the actual market investment returns on the assets in GRS. For example, in fiscal year 2009, the value of the assets that supported the Annuity Savings Fund accounts actually lost 19.67% percent of their value, but the GRS trustees credited the ASF account with 7.9% in interest. So, even though an ASF account holder who might have had \$10,000 in his or her ASF account in 2009 actually lost 19.67% in market value and should have had only a balance of \$8,033 in his or her account, instead his or her account was credited as having \$10,790.

The City believes that, as a result of these practices, there was too much, or "excess," interest credited to the ASF accounts, and that assets were diverted from the money available to fund GRS participants' monthly defined benefit pensions. The City estimates that, using actual market returns between 0% and 7.9% for crediting purposes,⁴ **over \$387 million of excess interest was credited to the ASF accounts collectively during the period from July 1, 2003 through June 30, 2013.** It is the City's belief that the \$387 million represents money that was diverted from the general GRS asset pool during this period and that should have been used to fund all GRS participants' monthly defined benefit pensions.

In designing the Plan, the City addressed the following question: (i) should the Plan contain higher across-the-board pension cuts for all GRS participants and not try to recover a portion of the excess ASF interest credits, or (ii) should it recover a portion of the excess ASF interest credits, which would result in lower across-the-board pension cuts for all GRS participants? The City decided on the second choice and, therefore, there will be both across-the-board pension cuts and a recovery of excess ASF interest credits. **As a result, the across-the-board cuts will be lower.**

⁴ This range is consistent with the range approved by a City Council ordinance in 2011.

Specifically, as part of the Plan, some, but not all, of these "**excess**" amounts related to the over-crediting of interest to ASF accounts will be recovered by (i) offsetting current ASF accounts of active or terminated employees and/or (ii) reducing monthly pension checks of current or future retirees and their survivors under annuities that provide survivor benefits. Persons participating in the ASF during the period from July 1, 2003 through June 30, 2013 will be affected. This recovery will be in addition to the other reductions to your accrued pension described in this Notice.

There will be a cap on what is recovered. Specifically, for any active or former employee or retiree, the recovery will be limited to **20%** of the highest value of such participant's ASF account balance between July 1, 2003 and June 30, 2013 (including any unpaid loans taken by the participant from his or her ASF account as of such date). The 20% cap described above is not the amount of the reduction from your pension as a result of the Annuity Savings Fund Recoupment. **Using a 20% cap, the City believes that approximately \$230 million of excess interest was credited to the ASF accounts collectively during the period from July 1, 2003 through June 30, 2013.**

Under the Plan, the recovery – called "**recoupment**" in the Plan – will work as follows using the 20% cap:

a. Active or Terminated Employee Recoupment. For each active employee, or terminated employee, who continues to maintain an ASF account in GRS, the City will recalculate that employee's ASF account value by applying the "Actual Return." The "**Actual Return**" means the actual net return percentage on invested GRS assets for each year from July 1, 2003 through June 30, 2013 unless the return is greater than 7.9% (in which case 7.9% will be used) or less than 0% (in which case 0% will be used). The difference between the value of your re-calculated ASF account using the Actual Return and the actual value of your ASF account as of June 30, 2013 is your "**Annuity Savings Fund Excess Amount.**" For an active or terminated employee who has received any distribution from the Annuity Savings Fund other than a total distribution, the difference between (i) the sum of (A) the value of such participant's Annuity Savings Fund account as of June 30, 2013 and (B) all distributions received by such participant from the Annuity Savings Fund during the period beginning July 1, 2003 and ending June 30, 2013 and (ii) the value of your Annuity Savings Fund account as of June 30, 2013 calculated using the Actual Return will be your Annuity Savings Fund Excess Amount.

Your Annuity Savings Fund Excess Amount, *subject to the 20% cap described above*, will then be deducted from your ASF account and irrevocably contributed to the pool of all GRS assets. The pool of all GRS assets can be used to fund all GRS participants' Adjusted Pensions. For those who took partial distributions, some of the recovery may also be deducted from your future pension checks. Your Class 11 GRS Ballot will show your Annuity Savings Fund Excess Amount as calculated by the City. **Even with the recovered amount, your Annuity Savings Fund account value after recoupment will be greater than the amounts you actually contributed into the Annuity Savings Fund and will reflect all interest credited by the GRS trustees to your Annuity Savings Fund account for the plan years prior to June 30, 2003.**

b. Recoupment from Persons who Previously Took Total Annuity Savings Fund Account Distributions. For each GRS participant who participated in the Annuity Savings Fund ("**ASF**") at any time during the period from July 1, 2003 through June 30, 2013, but who has already received a total distribution from the ASF, the City will re-calculate that participant's ASF account value by applying the "Actual Return." "**Actual Return**" means the actual net return percentage on invested GRS assets for each year from July 1, 2003 through June 30, 2013 unless the return is greater than 7.9% (in which case 7.9% will be used) or less than 0% (in which case 0% will be used). Your "**Annuity Savings Fund Excess Amount**" shall be the difference between (i) the value of your ASF account as of the date of distribution from the Annuity Savings Fund, provided such date falls between July 1, 2003 and June 30, 2013, and (ii) the value your ASF account as of such date, using the Actual Return. Your Annuity Savings Fund Excess Amount will be capped at 20% of your highest ASF account balance during the period July 1, 2003 through June 30, 2013 and that amount will then be converted into monthly annuity amounts based on your life expectancy and other factors. The monthly Annuity Savings Fund Excess Amount will be deducted from your monthly pension check (and the pension check of your survivor, if you receive an annuity that provides a survivor benefit). Your Class 11 GRS Ballot will show (i) the Annuity Savings Fund Excess Amount and (ii) the monthly amount that will be deducted from your monthly GRS pension payments.

Further, for a retiree who is receiving a pension as of June 30, 2014, the total reduction to your current annual pension (*i.e.*, your reduction from the 4.5% cut and your Annuity Savings Fund Recoupment) will not exceed 20% of your current annual pension.

Example 1: Jeffrey Gray is age 70. He currently receives a \$30,000 GRS pension, plus he is entitled to an annual 2.00% increase (COLA

or "escalator") in his \$30,000 pension each July 1. He also participated in the ASF program, and on January 1, 2010 he took a \$100,000 distribution of his ASF account. The value of his Annuity Savings Fund Excess Amount is \$25,000. Assuming that Gray's highest ASF account balance was \$100,000, the recoupment amount will be capped at \$20,000 (or 20% of Gray's highest ASF balance). When the \$20,000 is converted into a monthly annuity for life, it is equivalent to a \$2,271 annual pension.

Alternative A: If Classes 10 and 11 approve the Plan, Jeffrey Gray's pension will be reduced to \$26,379. This represents a \$3,621 reduction in his pension. Of the \$3,621, \$2,271 is attributable to the Annuity Savings Fund Excess Amount, and \$1,350 is attributable to the 4.5% across-the-board pension reduction. Gray will begin to receive \$26,379 per year, and it will not be increased annually. He will receive \$26,379 annually for life.

Alternative B: If Classes 10 and 11 do not approve the Plan, Gray will begin to receive \$19,629 per year, and it will not be increased annually. He will receive \$19,629 annually for life.

Example 2: Robert Green is age 42 and an active employee. As of June 30, 2014, he will have earned – based on his then salary and years of service – a \$30,000 annual pension. He also will have earned a right to a 2.00% annual increase (COLA or "escalator") in that \$30,000 pension each year following retirement. Green also has participated for the last 10 years in the ASF, and his account has a value of \$100,000. The value of his Annuity Savings Fund Excess Amount is \$25,000. Assuming that Green's highest ASF account value between July 1, 2003 and June 30, 2013 was \$110,000, application of the 20% cap will bring the recoupment amount down to \$22,000. Green works for another 10 years, and retires on July 1, 2024. Under the New GRS Accrued Pension, he earns a \$7,500 pension for life.

Alternative A: If Classes 10 and 11 approve the Plan, Green's \$30,000 frozen accrued pension is reduced to \$28,650, and he loses the right to the 2.00% COLA ("escalator"). In addition, his ASF account will be reduced in value from \$100,000 to \$78,000. When he

retires in 10 years, Johnson will receive the following: (i) the then value of his ASF account; and (ii) an annual \$28,650 pension under the old formula plus an annual \$7,500 pension under the GRS New Accrued Pension, for a total annual pension for life of \$36,150. The pension amount will not be increased annually.

Alternative B: If Classes 10 and 11 do not approve the Plan, Green's ASF account will be reduced in value by \$22,000. Green will receive at retirement (i) the then value of his ASF account (previously reduced by \$22,000); and (ii) an annual pension of \$21,900 under the frozen pension formula plus an annual \$7,500 pension under the GRS New Accrued Pension for a total annual pension of \$29,400 for life. He will receive \$29,400 annually for life.

Fund for Income Stabilization

The trust agreements of each of GRS and PFRS will be amended to provide a supplemental pension income stabilization benefit ("**Income Stabilization Benefit**") to each Eligible Pensioner (defined below) equivalent to the lesser of (a) the amount needed to restore 100% of the individual's reduced pension payment to the amount of the pension payment that the Eligible Pensioner received in actual dollars in 2013; or (b) the amount needed to bring the total household income of the Eligible Pensioner up to 130% of the Federal Poverty Level in the year in which the pension is received.

The GRS Income Stabilization Benefits will be paid from the Income Stabilization Fund of GRS. The Income Stabilization Fund of GRS will be funded with certain proceeds of a settlement with certain bond creditors, up to an aggregate amount of \$20 million to be divided between the Income Stabilization Fund of GRS and the Income Stabilization Fund of PFRS.

Under the Plan, GRS will establish an "**Investment Committee**" for the purpose of making recommendations to the GRS board of trustees with respect to certain financial matters. The Investment Committee will consist of five independent members and two or more non-independent members, which non-independent members may include employees of the City or members or retirees of GRS, provided that at all times during the 20-year period following disbursement of the State Contribution, the independent members shall have at least 70% of the voting power. Each independent Investment Committee member shall possess, by reason

of training or experience or both, a minimum level of expertise in managing or advising pension systems, all as agreed to by the City, the State and GRS, after consultation with the Foundations.

In the event that, in 2022 (provided that the State has not issued a certificate of default with respect to GRS at any time prior to 2022), it is the opinion of at least 75% of the independent members of the Investment Committee of GRS that the Income Stabilization Fund of GRS has more assets than it needs to provide Income Stabilization Benefits, the GRS Investment Committee may recommend to the board of trustees that the excess assets, in an amount not to exceed \$35 million, be used to fund the Adjusted Pension Amounts payable by GRS. In the event that any funds remain in the Income Stabilization Fund of GRS on the date upon which no Eligible Pensioners under GRS remain, such funds shall be used to fund the Adjusted Pension Amounts payable by GRS.

"Eligible Pensioners" are those retirees or surviving spouses who hold a Pension Claim and who are eligible to receive Income Stabilization Benefits because such Holder (a) is, as of the effective date of the Plan, at least 60 years of age or a minor child receiving survivor benefits from GRS and (b) has an aggregate annual household income equal to or less than 140% of the Federal Poverty Level in 2013 (per their (or in the case of minor children, their legal guardian's) 2013 income tax returns or equivalent documentation). No new persons will be eligible to receive Income Stabilization Benefits at any time in the future, and any minor child receiving survivor benefits shall cease to be an Eligible Pensioner after he or she turns 18 years of age.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your pension. You will only have the right to your reduced pension benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims against the City. This is called the **"Comprehensive State Release."** The

Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State officials to restore pension benefits or argue that the City did not have the power to reduce pensions, even if you vote to reject the Plan.** Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. If you are an active employee, the Comprehensive State Release does not release or discharge rights you have to your New Accrued Pension.

If the Bankruptcy Court confirms the Plan but does not approve the Comprehensive State Release, the State does not have to contribute its \$350 million State Contribution to the Pension Funds. If the State's money is not contributed, then none of the other sources of Outside Funding will make their payments, either. In that case, none of the \$816 million in contributions will be made to the pension plans, Alternative B will take effect, and your pension benefit cuts will be at the higher levels set forth in the chart on page 7 (27% reduction + elimination of COLA + Annuity Savings Fund Recoupment).

Release by Claim Holders Accepting the Plan

The Plan also provides for an "**Accepting Holders Release.**" The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are providing Outside Funding and their related entities **except for** such parties' gross negligence or willful misconduct, but only if the Initial Funding Conditions (which include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things) that can be satisfied before the Confirmation Hearing are satisfied or waived.

In other words, if you vote to accept the Plan, you may not be allowed to sue the State, the City or any State individuals or entities to restore pension benefits or argue that the City did not have the power to reduce pensions.

However, if Classes 10 and 11 vote to accept the Plan, **but the Initial Funding Conditions are not satisfied or waived before the Confirmation Hearing**, then your vote to accept the Plan will be treated as a vote to **reject** the Plan, and the voluntary Accepting Holders Release will **not** apply to you.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding, the City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

**NOTICE REGARDING PROPOSED CHANGES TO
POST-EMPLOYMENT HEALTHCARE BENEFITS
IN THE CITY'S PLAN OF ADJUSTMENT**

Introduction

This Notice gives retirees or surviving beneficiaries who are currently receiving non-pension post-employment healthcare and other welfare benefits from the City of Detroit a short summary as to how the City's proposed plan of adjustment (the "**Plan**") and the restructuring described in the Plan will affect your future retiree health and death benefits.

This Notice provides you with:

- background information about the process for approval of the Plan by the Bankruptcy Court, and
- details about how the proposed Plan will impact your benefits.¹

¹ **Notice for Employees and Retirees of the Detroit Public Library.**
This Notice and the accompanying Ballot relate to the modification of the City's obligations for OPEB Benefits for those who participate in the City's

IF APPROVED BY THE BANKRUPTCY COURT, THE CITY'S PLAN OF ADJUSTMENT WILL REDUCE YOUR RETIREE HEALTH AND RETIREE DEATH BENEFITS. YOU CAN VOTE FOR OR AGAINST THE PLAN, BUT YOU CANNOT AVOID A REDUCTION IN YOUR RETIREE HEALTH BENEFITS OR RETIREE DEATH BENEFITS BY REFUSING TO VOTE ON THE PLAN.

YOUR VOTE MATTERS.

PLEASE READ THIS ENTIRE NOTICE CAREFULLY. DETAILS OF HOW TO OBTAIN ADDITIONAL INFORMATION REGARDING THE CONTENTS OF THIS NOTICE ARE PROVIDED BELOW.

retiree healthcare plans and programs. To any extent the City has any obligations to the Library's current or former employees by virtue of their participation in the City's OPEB plans or programs, the City believes that the City's obligations may be modified in the City's bankruptcy case. Therefore, you are being provided with this Notice and the related Ballot. The Library's obligations to current and former employees for pension and OPEB Benefits are separate from any obligation the City may have, however. Your vote on the City's Plan affects only any obligation the City may have and does not change the Library's obligations for OPEB Benefits.

***BACKGROUND REGARDING
DETROIT'S RETIREE HEALTHCARE OBLIGATIONS***

The City provides to its retirees, and their spouses and dependents, health insurance (including dental and vision benefits) and retiree death benefits – these are known in the Plan as "**OPEB**" (Other Post-Employment Benefits). The healthcare, dental and vision benefits are completely unfunded. This means the City has not set aside money to pay these benefits. In the case of death benefits, the City provides a lump sum benefit upon the death of an employee and certain retirees who make voluntary contributions to fund this benefit. The City has established a trust account into which contributions made by retirees, employees and the City have been deposited. This account has enough money to provide approximately 96% of the expected death benefits. Therefore, this account is underfunded.

Historically, the City has paid the cost of annual retiree health, dental and vision insurance benefits or stipends on a "pay-as-you-go" basis from its General Fund. The cost to provide retiree health, dental and vision insurance to retirees during the course of their retirement and the underfunding associated with the death benefit trust account are also debts of the City. Those debts also create a claim in the bankruptcy. This is called the "**OPEB Claim**" in the Plan. The City proposes to turn over the responsibility of providing OPEB benefits to new entities in the Plan and to contribute to those new entities only a fixed sum for future retiree health, dental and vision benefits rather than the full cost of those benefits.

If, as of March 1, 2014, you were a retiree, or surviving beneficiary of a retiree, and you are receiving, or entitled to receive, health insurance (including dental and vision benefits) and/or you are covered by the death benefit program so that your survivors are eligible for death benefits from the City, you have an OPEB Claim in the bankruptcy. Active employees do not have an OPEB Claim. As a holder of an OPEB Claim as of March 1, 2014, you have a right to vote on how the City proposes to reduce and restructure your retiree health and retiree death benefits and the other terms of the Plan.

BACKGROUND REGARDING
DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On April 25, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to restructure OPEB benefits.

Along with the Plan, the City also filed a document called the "Third Amended Disclosure Statement with Respect to Third Amended Plan for the Adjustment of Debts of the City of Detroit." That document is referred to as the "**Disclosure Statement.**" The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;

Classification of OPEB Claims in the Plan

Under the Plan, claims against the City are divided into different classes. Claims related to retiree healthcare and death benefits – OPEB Claims – are in Class 12.

OPEB (Retiree Health (Including Vision and Dental) and Death Benefits)

If you are a retiree or a surviving beneficiary and are receiving retiree health benefits, or are entitled to retiree death benefits from the City, you are a holder of what the Plan calls an "OPEB Claim," and it is included in Class 12 of the Plan. As a holder of an OPEB Claim, you are entitled to vote on the Plan. The City generally requires that, to be eligible for retiree health benefits, a retiree must be receiving monthly pension payments from GRS or PFRS. Therefore, most people who hold an OPEB Claim also hold either a GRS pension claim in Class 11 or a PFRS pension claim in Class 10.

The estimated amount of all OPEB Claims for purposes of voting on the Plan is \$3,711,700,000. This amount represents the estimated present value of the cost of the City's future obligations, as of June 30, 2013, for the City to continue to provide retiree health benefits (including dental and vision) and death benefits into the future under the programs that were in effect at the time the City filed its chapter 9 petition. If you are the holder of an OPEB Claim, the estimated value of your OPEB Claim is equal to your share of this \$3,711,700,000 and is stated on the Ballot that you received with this Notice. Your share is calculated based in part on your age and life expectancy, and also on the projected cost of future health care. The claim amount stated on your Ballot is the estimated amount of your OPEB Claim **only for purposes of voting** on the Plan. It is not the value of your OPEB benefits, and it is not a promise by the City to pay that amount under the Plan.

If you have both a Pension Claim and an OPEB Claim, you will get a separate Ballot for each claim. You will also get a different Notice in addition to this Notice.

The Solicitation Package and Voting

On [____], 2014, the Bankruptcy Court authorized the City to distribute the Plan and Disclosure Statement to its creditors and to solicit their votes to accept or reject the Plan. The Bankruptcy Court also authorized the City to send a paper copy of this Notice to you and others who receive pensions or retiree health or death benefits. This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a modification in your OPEB benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at www.kccllc.net/detroit; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC
2335 Alaska Avenue
El Segundo, CA 90245

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.
2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").

3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.
5. A letter from the Retired Detroit Police and Fire Fighters Association and possibly other parties.
6. A Ballot for your OPEB Claim with instructions on how to complete the Ballot and a Ballot return envelope. Your Ballot also contains information necessary for you to either accept or reject the Plan and its proposed treatment of your OPEB Claim in Class 12.

Please read the instructions, and complete and return the Ballot early enough so that it will be actually received by the Balloting Agent in California by no later than July 11, 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE OPEB (RETIREE HEALTH, DENTAL, VISION
& DEATH BENEFITS)***

Under the Plan, the City will no longer sponsor and maintain retiree health or death benefits programs for existing retirees, surviving beneficiaries and their dependents. Instead, the City will establish two voluntary employees' beneficiary association trusts (known as a "**VEBA**") – one for PFRS-related retirees and one for GRS-related retirees. The two VEBAs will be responsible for providing retiree health benefits beginning January 1, 2015 to existing retirees, surviving beneficiaries and their eligible dependents.

Detroit General VEBA for General City Retirees

Under the Plan, the City will establish the Detroit General VEBA to provide health benefits to Detroit's non-police and non-fire retirees, surviving spouses and their eligible dependents. The Detroit General VEBA will be governed by a board of trustees that will be responsible for, among other things, management of property held by the Detroit General VEBA, administration of the Detroit General VEBA and determination of the level of and distribution of benefits to Detroit General VEBA beneficiaries. The board will be comprised of retiree representatives and independent professionals, and the composition of the initial board will be approved by the Bankruptcy Court. The board members will be appointed by the City, or by other entities based upon further discussion with union representatives, retiree associations and the Retiree Committee. The board will have the authority to determine who is eligible to receive retiree health benefits from the VEBA, and the annual level, design and cost of such benefits.

Under the Plan, the City will provide the Detroit General VEBA with its share of a note to be issued to non-pension unsecured creditors. If the City does not make the payments under the note, the persons who operate and manage the Detroit General VEBA will have the right to sue the City for payment. The Detroit General VEBA trustees may also, in their discretion, seek to "sell" or monetize the note in the market to generate more up-front cash for the Detroit General VEBA.

How much the Detroit General VEBA trustees may spend on retiree healthcare in any particular year is unknown at this time. It is also unknown how long the money in the Detroit General VEBA trust will last because that will depend upon the benefits to be provided. It is likely, however, that the amount of the note to be provided to the Detroit General VEBA by the City under the Plan in satisfaction of

the OPEB Claim will not be enough to provide the same level of benefits over the long term as the City began providing to retirees and surviving beneficiaries in March 2014.

Further, the value of the healthcare that may be provided to retirees by the Detroit General VEBA trust or (any other trust that may be created) is subject to various factors, including but not limited to: whether or not a retiree is eligible for Medicare (generally 65 or older) or Medicaid (depending on income level and state residency); costs of future premiums, co-pays and deductibles; whether the Affordable Care Act continues in effect, and if so, in what form; and whether tax credits that currently exist to reduce healthcare costs to low-to-middle income persons continue.

If the Plan is approved by the Bankruptcy Court, regardless of your vote on the Plan, the new Detroit General VEBA board of trustees will make the determination of what level and form of healthcare benefits will be provided to current retirees based on the amount of money available to the Detroit General VEBA trust under the Plan and the exercise of their reasonable discretion.

Detroit Police and Fire VEBA

Under the Plan, the City will establish the Detroit Police and Fire VEBA to provide health benefits to retired employees of the Detroit Police Department and the Detroit Fire Department who do not participate in (or have the right to participate in) the GRS and their surviving beneficiaries and eligible dependents. The Detroit Police and Fire VEBA will be governed by a board of trustees that will be responsible for, among other things, management of property held by the Detroit Police and Fire VEBA, administration of the Detroit Police and Fire VEBA and determination of the level of and distribution of benefits to Detroit Police and Fire VEBA beneficiaries. The board will be comprised of retiree representatives and independent professionals, and the composition of the initial board will be approved by the Bankruptcy Court. The board members will be appointed by the City, the Retiree Committee and the Retired Detroit Police and Fire Fighters Association. The board will have the authority to determine who is eligible to receive retiree health or other welfare benefits, including death benefits, from the VEBA, and the annual level, design and cost of such benefits.

Under the Plan, the City will provide the Detroit Police and Fire VEBA with its share of a note to be issued to non-pension unsecured creditors. If the City does not make the payments under the note, the persons who operate and manage the

Detroit Police and Fire VEBA will have the right to sue the City for payment. The Detroit Police and Fire VEBA trustees may also, in their discretion, seek to "sell" or monetize the note in the market to generate more up-front cash for the Detroit Police and Fire VEBA.

How much the Detroit Police and Fire VEBA trustees may spend on retiree healthcare benefits in any particular year is unknown at this time. It is also unknown how long the money in the Detroit Police and Fire VEBA trust will last because that will depend upon the benefits to be provided. It is likely, however, that the amount of the note to be provided to the Detroit Police and Fire VEBA by the City under the Plan in satisfaction of the OPEB Claim will not be enough to provide the same level of benefits over the long term as the City began providing to retirees and surviving beneficiaries in March 2014.

Further, the value of the healthcare that may be provided to retirees by the Detroit Police and Fire VEBA trust or (any other trust that may be created) is subject to various factors, including but not limited to: whether or not a retiree is eligible for Medicare (generally 65 or older) or Medicaid (depending on income level and state residency); costs of future premiums, co-pays and deductibles; whether the Affordable Care Act continues in effect, and if so, in what form; and whether tax credits that currently exist to reduce healthcare costs to low-to-middle income persons continue.

If the Plan is approved by the Bankruptcy Court, regardless of your vote on the Plan, the new Detroit Police and Fire VEBA board of trustees will make the determination of what level and form of healthcare benefits will be provided to current retirees based on the amount of money available to the Detroit Police and Fire VEBA trust under the Plan and the exercise of their reasonable discretion.

Death Benefits

The City provides the death benefit program through a separate trust fund. The death benefit trust fund will not be merged into or operated by either the Detroit General VEBA or the Detroit Police and Fire VEBA. Instead, the City will no longer have responsibility to contribute money into the existing death benefit trust fund. The trustees of the death benefit trust will continue to manage the trust assets and employ the staff of the Retirement Systems to administer the timely disbursement of benefits. The costs of administration will be borne by the assets of the trust.

Active employees as of March 1, 2014 do not have an OPEB Claim. Future OPEB benefits, if any, for active employees will be subject to the terms of future contracts between the City and its active employees.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your OPEB benefits. You will only have the right to your modified OPEB benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims against the City. Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), the Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. This is called the "**Comprehensive State Release.**" The Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State entities to restore OPEB benefit modifications, even if you vote to reject the Plan.** For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the effective date of the Plan with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations.

Release by Claim Holders Accepting the Plan

The Plan also provides for an "**Accepting Holders Release.**" The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are providing Outside Funding and their related entities **except for** such parties' gross negligence or willful misconduct.

In other words, if you vote to accept the Plan, you will not be allowed to sue the State, the City or any State entities to restore OPEB benefit modifications.

THE ESTIMATES CONTAINED IN THIS BALLOT.**

This Ballot is for ACTIVE OR FORMER EMPLOYEES who were NOT receiving pension payments from the Police and Fire Retirement System of the City of Detroit ("PFRS") as of MARCH 1, 2014 (the "Pension Record Date").

PFRS Pension Claims are included in Class 10 under the *Third Amended Plan for the Adjustment of Debts of the City of Detroit (April 25, 2014)* (as it may be amended, supplemented or modified, the "Plan").¹

Please complete, sign and date the Ballot and mail it by regular mail to Kurtzman Carson Consultants LLC (the "Balloting Agent") in the enclosed addressed envelope so that it is ACTUALLY RECEIVED by the July 11, 2014 Voting Deadline.

DO NOT RETURN THE BALLOT TO THE CITY OF DETROIT, THE BANKRUPTCY COURT OR ANYONE OTHER THAN THE BALLOTING AGENT.

Ballots may not be submitted by fax, email or other electronic means.

¹ Capitalized terms used in this Ballot and the attached instructions that are not otherwise defined have the meanings given to them in the Plan.

Please contact the Balloting Agent if you have questions regarding the ballot return instructions. PLEASE NOTE, HOWEVER, THAT THE BALLOTING AGENT IS NOT PERMITTED TO PROVIDE LEGAL ADVICE.

The City of Detroit, Michigan (the "City") is soliciting votes with respect to the Plan, which is described in the accompanying *Third Amended Disclosure Statement with Respect to Third Amended Plan for the Adjustment of Debts of the City of Detroit (April 25, 2014)* (as it may be amended, supplemented or modified, the "Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court on April [____], 2014. By orders entered on March 11, 2014 and April [____], 2014, the Bankruptcy Court approved procedures regarding the solicitation and tabulation of votes on the Plan.

You are receiving this Ballot because, as of March 1, 2014, (a) you were an active employee or former employee of the City, (b) you were not receiving pension payments and (c) you are a Holder of a PFRS Pension Claim.

Your PFRS Pension Claim has been temporarily allowed in the estimated amount of \$[_____] only for the purpose of voting on the Plan. The actual amount of the claim may change before the end of the bankruptcy case.

The Plan proposes two possible treatments for PFRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the PFRS will receive money from proposed settlements with third-party foundation funders, the Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced, but only to the extent that the amount of COLA received in the future is reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

ALTERNATIVE A: If both Class 10 (the PFRS Pension Claims) and Class 11 (the GRS Pension Claims) vote to accept the Plan and the Court approves the Plan, the Outside Funding will be contributed to PFRS. Under this alternative, you can calculate your potential future monthly pension payment as follows:

Line 1: Perform the calculation set forth on Annex I to this Ballot to determine the annual amount of your total retirement allowance. Enter the result here: _____

Line 2: Divide the amount from Line 2 by 12 and enter the result here: _____

The amount you entered in Line 2 is your estimated initial future monthly pension payment (the "Initial Monthly Pension").

Your Initial Monthly Pension will increase by a COLA escalator (up to 1.0125%) each year following your retirement.

The amount of the PFRS liabilities that is represented by the hard freeze of PFRS as of June 30, 2013 is approximately \$55 million – or roughly 7.5% of the active employee liabilities, or 1% of the total PFRS liabilities.

ALTERNATIVE B: If either Class 10 or Class 11 votes to reject the Plan and the Court approves the Plan, the Outside Funding will not be contributed to PFRS. The amount you entered in Line 2 under Alternative A above would be your potential future monthly pension payment under the Plan. You would not receive any COLA “escalators” following your retirement.

The amount of the PFRS liabilities that is represented by the hard freeze of PFRS as of June 30, 2013 is approximately \$55 million - or roughly 7.5% of the active employee liabilities, or 1% of the total PFRS liabilities.

For more information regarding the calculation of the amount of your allowed claim and your monthly pension payments, please consult with your counsel and/or counsel to PFRS.

Pension Benefit Estimation Calculator

If you were hired prior to 1-1-69 (OLD PLAN)

Your total retirement allowance (pension plus annuity) is equal to two and one-half percent (2.50%) of your average final compensation multiplied by your years of credited service, not to exceed 25 years. The pension portion cannot exceed fifteen/twenty-seconds (15/22) of the maximum earnable compensation of a patrolman/firefighter.

Average final compensation is the average of the "maximum rate of pay" fixed by the budget, at the time of your termination, of your rank or ranks held during your last five years of service (effective July 1, 2000, last three years for DPCOA and Executive members and their Fire equivalents), plus the value of your last full longevity payment.

Members hired prior to 1-1-69 also have the option to retire under the "New Plan" provisions, which are discussed below.

If you were hired on or after 1-1-69 (NEW PLAN)

Your total retirement allowance (pension plus annuity) is equal to two and one-half percent (2.50%) of your average final compensation for the first 25 years of credited service and two and one-tenth percent (2.10%) for years beyond 25 to a maximum of 35 years of service.

Average final compensation is the same as under the "Old Plan."

COLA Charts

Police and Fire Retirement System - Old Plan (Hired before 1969)

Amounts shown are illustrations only. The average annual benefit as of June 30, 2013 for all participants in pay status is approximately \$30,000. The impact of lost COLA to you personally depends on your actual pension and retirement date, as well as the compensation increases provided to active participants. Further, COLAs are assumed to resume only after past compensation reductions are fully restored.

Police and Fire Retirement System - New Plan (Hired after 1968)

Amounts shown are illustrations only. The average annual benefit as of June 30, 2013 for all participants in pay status is approximately \$30,000. The impact of lost COLA to you personally depends on your actual pension.

¹ Capitalized terms used in this Ballot and the attached instructions that are not otherwise defined have the meanings given to them in the Plan.

Please contact the Balloting Agent if you have questions regarding the ballot return instructions. PLEASE NOTE, HOWEVER, THAT THE BALLOTING AGENT IS NOT PERMITTED TO PROVIDE LEGAL ADVICE.

The City of Detroit, Michigan (the "City") is soliciting votes with respect to the Plan, which is described in the accompanying *Third Amended Disclosure Statement with Respect to Third Amended Plan for the Adjustment of Debts of the City of Detroit (April 25, 2014)* (as it may be amended, supplemented or modified, the "Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court on April [____], 2014. By orders entered on March 11, 2014 and April [____], 2014, the Bankruptcy Court approved procedures regarding the solicitation and tabulation of votes on the Plan.

You are receiving this Ballot because you are a Holder of a PFRS Pension Claim as of March 1, 2014 (the "Pension Record Date").

Your PFRS Pension Claim has been temporarily allowed in the estimated amount of \$[_____] only for the purpose of voting on the Plan. The actual amount of the claim may change before the end of the bankruptcy case.

The Plan proposes two possible treatments for PFRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the PFRS will receive money from proposed settlements with third-party foundation funders, The Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced, but only to the extent that the amount of COLA received in the future is reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

ALTERNATIVE A: If both Class 10 (the PFRS Pension Claims) and Class 11 (the GRS Pension Claims) vote to accept the Plan and the Court approves the Plan, the Outside Funding will be contributed to PFRS. Under this alternative, your monthly pension payments will stay the same, except that you will only receive 45% of your cost of living adjustments, sometimes called “escalators” (“COLA”):

You will continue to receive your current monthly pension payment and it will increase by a COLA escalator (up to 1.0125%) each year.

ALTERNATIVE B: If either Class 10 or Class 11 votes to reject the Plan and the Court approves the Plan, the Outside Funding will not be contributed to PFRS. Under this alternative, your monthly pension payments will stay the same, but you will not receive any COLA escalators. Your current monthly pension amount will not be increased in the future.

In addition, if you vote to accept the Plan and the adjusted pension amount you are to receive under the Plan is so low that your total income falls below a certain level, you may be eligible to receive supplemental payments. These additional payments will not be available to higher income retirees.

For more information regarding the calculation of the amount of your allowed claim and your monthly pension payments, please consult with your counsel and/or counsel to the Retiree Committee.

You are receiving this Ballot because, as of March 1, 2014, (a) you were an active employee or former employee of the City, (b) you were not receiving pension payments and (c) you are a Holder of a GRS Pension Claim.

The Plan proposes two possible treatments for GRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the GRS will receive money from proposed settlements with third-party foundation funders, the Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

Pension Benefit Estimation Calculator

Your service retirement allowance is based on your years of credited service, your age and your average final compensation. "Average final compensation" means the average of the annual compensation paid you by the City during the period of 36 consecutive months of service which produces the highest average. The 36 consecutive months used must occur within your last 120 months of service. You have the option of receiving an Unused Sick Leave on Retirement payout of 25% of your unused sick leave (normally 50%) and having the value of the payout added to the earnings used to compute your average final compensation. CET changes: Unused Sick Leave on Retirement- Any sick leave accumulated after July 17, 2012 and remaining unused at retirement will not be paid out. Sick Time Inclusion in Final Average Compensation -The inclusion of sick time in an employee's Final Average Compensation will be discontinued. The implementation date is December 1, 2012.

Your retirement allowance consists of the following 3 amounts:

1. A basic pension of \$12 for each full year of service, but not to exceed \$120.
2. A pension allowance equal to the sum of 1.6% times your first 10 years of credited service, plus 1.8% times each year of service greater than 10 years up to 20 years, plus 2.0% times each year of service greater than 20 years up to 25 years, plus 2.2% times each year of service over 25 years; multiplied by your average final compensation. CET changes: The multiplier has been reduced to 1.5% for service time earned subsequent to July 17, 2012 and the escalator eliminated. The implementation date is December 1, 2012.
3. An annuity, provided you made contributions for it and you do not withdraw those funds at the time of retirement. The annuity portion depends on the balance in your account and your age on your retirement date.

This Ballot is for RETIREES WHO ARE CURRENTLY RECEIVING PENSION payments from the General Retirement System of the City of Detroit ("GRS").

GRS Pension Claims are included in Class 11 under the *Third Amended Plan for the Adjustment of Debts of the City of Detroit (April 25, 2014)* (as it may be amended, supplemented or modified, the "Plan").¹

Please complete, sign and date the Ballot and mail it by regular mail to Kurtzman Carson Consultants LLC (the "Balloting Agent") in the enclosed addressed envelope so that it is ACTUALLY RECEIVED by the July 11, 2014 Voting Deadline.

DO NOT RETURN THE BALLOT TO THE CITY OF DETROIT, THE BANKRUPTCY COURT OR ANYONE OTHER THAN THE BALLOTING AGENT.

Please contact the Balloting Agent if you have questions regarding the ballot return instructions. PLEASE NOTE, HOWEVER, THAT THE BALLOTING AGENT IS NOT PERMITTED TO PROVIDE LEGAL ADVICE.

¹ Capitalized terms used in this Ballot and the attached instructions that are not otherwise defined have the meanings given to them in the Plan.

The City of Detroit, Michigan (the "City") is soliciting votes with respect to the Plan, which is described in the accompanying *Third Amended Disclosure Statement with Respect to Third Amended Plan for the Adjustment of Debts of the City of Detroit (April 25, 2014)* (as it may be amended, supplemented or modified, the "Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court on April [____], 2014. By orders entered on March 11, 2014 and April [____], 2014, the Bankruptcy Court approved procedures regarding the solicitation and tabulation of votes on the Plan.

You are receiving this Ballot because you are a retired Holder of a GRS Pension Claim as of March 1, 2014 (the "Pension Record Date").

Your GRS Pension Claim has been temporarily allowed in the estimated amount of \$[_____] only for the purpose of voting on the Plan. The actual amount of the claim may change before the end of the bankruptcy case.

The Plan proposes two possible treatments for GRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the GRS will receive money from proposed settlements with third-party foundation funders, The Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

ALTERNATIVE A: If both Class 10 (the PFRS Pension Claims) and Class 11 (the GRS Pension Claims) vote to accept the Plan and the Court approves the Plan, the Outside Funding will be contributed to GRS. Under this alternative, your monthly pension payments are estimated to change as follows:

Line 1: Your Current Monthly Pension Is: \$ _____

Line 2: Line 1 multiplied by 0.955 is: \$ _____

Line 3: Your Estimated Annuity Savings Fund Monthly Recoupment is:*** \$ _____

Line 4: Your New Estimated Monthly Pension Payment (flat payment; no COLAs) is: \$ _____

*** The total Estimated Amount of your Annuity Savings Plan Recoupment is: \$ _____

ALTERNATIVE B: If either Class 10 or Class 11 votes to reject the Plan and the Court approves the Plan, the Outside Funding will not be contributed to GRS. Under this alternative, your monthly pension payments are estimated to change as follows:

Line 1: Your Current Monthly Pension Is: \$ _____

Line 2: Line 1 multiplied by 0.73 is: \$ _____

Line 3: Your Estimated Annuity Savings Fund Monthly Recoupment is:*** \$ _____

Line 4: Your New Estimated Monthly Pension Payment (flat payment; no COLAs) is: \$ _____

*** The total Estimated Amount of your Annuity Savings Plan Recoupment is: \$ _____

In addition, if you vote for the Plan and the adjusted pension amount you are to receive under the Plan is so low that your total income falls below a certain level, you may be eligible to receive supplemental payments. These additional payments will not be available to higher income retirees.

For more information regarding the calculation of the amount of your allowed claim and your monthly pension payments, please consult with your counsel and/or counsel to the Retiree Committee.

BACKGROUND REGARDING DETROIT'S PENSION OBLIGATIONS

The City sponsors and provides its employees with pension benefits through two separate pension funds – the General Retirement System ("**GRS**") and the Police and Fire Retirement System ("**PFRS**"). Generally, if you were a uniformed police or fire-fighter employee, you receive your pension payments through PFRS and, if you were a non-uniformed employee, you receive your pension payments through GRS. Generally, before the bankruptcy, the City was required to contribute cash into the GRS and PFRS so that these pension funds would have enough money to pay the pensions that you earned during your employment by the City.

At the time the City filed for bankruptcy, both GRS and PFRS were underfunded. "Underfunded" means that GRS and PFRS have enough assets to pay pensions in the short term, but they do not have enough assets to pay all pensions in full over the long term. The amount of the underfunding is a debt that the City owes to each pension fund (and those entitled to receive benefits from that fund). The underfunding debt creates a "claim" in the City's bankruptcy. The Plan proposes to restructure this debt through reductions in your pension benefits, contributions of money by outside funders to the Retirement Systems and the City's promise to fund the reduced benefit levels going forward.

If you are either (i) retired, (ii) disabled or (iii) a surviving beneficiary of a City employee, and you are currently receiving a pension, you have a "**Pension Claim**" in the bankruptcy in connection with this underfunding debt. As a holder of a Pension Claim, you have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

Similarly, **if you are an active employee of the City (or a former employee) who has earned the right to a pension upon your future retirement based on your years of service with the City**, you also have a "**Pension Claim**" in the bankruptcy. As a holder of a Pension Claim, you also have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

BACKGROUND REGARDING
DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On April 16~~25~~²⁵, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to reduce pension benefits and OPEB benefits. Along with the Plan, the City also filed a document called the "~~Second~~^{Third} Amended Disclosure Statement with Respect to ~~Second~~^{Third} Amended Plan for the Adjustment of Debts of the City of Detroit." ~~That document is referred to as the "Disclosure Statement."~~ The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;
- a description of how the Plan will restructure the City's debts for different types of creditors, including retirees and active or former City employees, by reducing or changing the amounts it will pay and the timing and terms of repayment;
- how the City proposes to implement the Plan;
- the legal effects of approval of the Plan by the Bankruptcy Court;
- instructions regarding voting on the Plan; and
- risk factors associated with the Plan.

Classification of Pension Claims in the Plan

Under the Plan, pension-related claims against the City are divided into different classes. Claims related to PFRS pensions are in Class 10.

- **If you participate in PFRS, your Pension Claim is what the Plan calls a "PFRS Pension Claim." Your PFRS Pension Claim is included in Class 10 of the Plan.**
- The amount of all PFRS Pension Claims that has been estimated for purposes of voting on the Plan is \$1,284,000,000. This amount is equal to the estimated amount of the "underfunding" for PFRS as of June 30, 2013. That is, it is equal to the difference between the market value of the assets in PFRS as of June 30, 2013 and the present value of the liabilities of PFRS (in other words, the total amount of all PFRS pension benefits accrued by all City employees, former employees, retirees and survivors) as of June 30, 2013. If you are the holder of a PFRS Pension Claim, the value of your PFRS Pension Claim is equal to your share of this \$1,284,000,000 and is stated on the Ballot that you received with this Notice. The amount stated on your Ballot is the estimated amount of your PFRS Pension Claim **only for purposes of ~~voting on~~ counting votes for the Plan. It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.**
- If you are an active or former employee who was not receiving a PFRS pension as of March 1, 2014, the actual value of your pension will not be calculated until you retire. Your claim and your pension are different things. For ~~Plan-voting~~ purposes of counting votes for the Plan, your Ballot contains a rough estimate of your portion of the total PFRS Pension Claim based on your age and years of service. It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.

If you also worked for other City departments (or you are a surviving beneficiary of someone who worked in another City department), you may also have a right to a pension from the General Retirement System of the City of Detroit (the "GRS"). If so, you will receive a separate Notice and Ballot for voting your GRS Pension Claim in Class 11 of the Plan.

~~If you have both a Pension Claim and a claim for retiree healthcare benefits (called an "OPEB Claim" in the Plan), you will get a separate Ballot for each claim. You will also get a different Notice in addition to this Notice.~~

If you are currently retired or are a surviving beneficiary, you also have a separate claim for retiree health or other post-employment benefits (an

"OPEB Claim"). You will receive a separate Notice and Ballot for voting your OPEB Claim in Class 12 of the Plan.

The Solicitation Package and Voting

~~On [____], 2014, the Bankruptcy Court authorized the City to distribute the Plan and Disclosure Statement to its creditors and to solicit their votes to accept or reject the Plan. The Bankruptcy Court also authorized the City to send a paper copy of this Notice to you and others who receive pensions or retiree health or death benefits.~~ This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total the amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a reduction in your pension benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at www.kccllc.net/detroit; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC
2335 Alaska Avenue
El Segundo, CA 90245

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.
2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").

3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.
5. Letters from PFRS, the Retired Detroit Police & Fire Fighters Association and possibly others.
6. A Ballot for your PFRS Pension Claim, with instructions on how to complete the Ballot, and a Ballot return envelope. Your Ballot for your PFRS Pension Claim has been customized to provide you with ~~personalized~~ information ~~as to how the City estimates that the Plan will affect your monthly pension benefit payment if~~ about the Plan's impact on your future annual cost-of-living adjustments – sometimes called "escalators" in the collective bargaining agreements ("COLAs"), depending upon whether both pension classes (Class 10 and Class 11) accept the Plan *or* if one or more of them rejects the Plan.

Please read the instructions, and complete, sign and return the Ballot early enough so that it will be actually received by the ~~Claims~~Balloting Agent in California by no later than ~~June 30~~July 11, 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE PENSION BENEFITS***

The Plan provides for two alternatives for your pension benefits. The Plan will not reduce your monthly pension payments, but it will reduce your annual "escalators" or COLAs either by 55% (Alternative A) or eliminate them entirely (Alternative B). Alternatives A and B are described in the chart on page 9. The amount of the pension reductions depends upon whether you and others in Class 10 and those in Class 11 (those holding GRS Claims) vote to accept the Plan and the Outside Funding is received.

The Outside Funding

The Plan contemplates that \$816 million in funding from outside sources as a settlement of certain issues affecting the City and its retirees will be contributed to GRS and PFRS over 20 years ***if and only if both Classes 10 and 11 vote to accept the Plan.*** These outside sources are: (i) funders of the non-profit corporation that operates the Detroit Institute of Arts, (ii) 12 charitable foundations and (iii) the State of Michigan. Their collective contributions are called the **"Outside Funding."**

You will receive reduced COLAs if the Outside Funding is available. All COLAs will be eliminated if the Outside Funding is not available.

If one Class of pension claims votes to accept the Plan and the other Class of pension claims votes to reject the Plan, the Outside Funding for the pensions will not be available.
If both Classes of pension claims vote to reject the Plan, this additional Outside Funding for the pensions will not be available.

IN OTHER WORDS, BOTH CLASS 10 AND CLASS 11 MUST VOTE TO ACCEPT THE PLAN IN ORDER FOR THE OUTSIDE FUNDING TO BE CONTRIBUTED TO FUND PENSIONS.

~~*Even if the Classes both vote to accept the Plan, there is a risk that the payments from the Outside Funding may not be made as promised. The Plan does not require the City to make up for any missed payments before June 30, 2023.*~~

For a Class to vote to accept the Plan, more than two-thirds in amount of claims and one-half in number of Class members who actually vote must vote "YES" to accept the Plan.

There are other conditions to the receipt of the Outside Funding that must also be met for the money to be contributed. Those are described in the Plan. Therefore, even if Classes 10 and 11 both vote to accept the Plan, there is a risk that the payments from the Outside Funding may not be made as promised. The Plan does not require the City to make up for any missed payments.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject

the Plan, you will benefit if the Outside Funding is received, but you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

A summary chart showing the difference in estimated adjustments to pension benefits if Outside Funding is, or is not, received for PFRS appears below.

Alternative A: Estimated Adjustments to Pension Benefits if Classes 10 and 11 Vote Yes on the Plan and Outside Funding is Received and the Court Approves the Plan¹

- You will receive 100% of your current pension and 45% of your annual "escalators" or COLAs over your lifetime

- No reduction in current and future monthly pension payments

- Elimination of 55% of your annual "escalators" or COLA

~~Elimination of 55% of your cost of living adjustment ("COLA") (i.e., you will receive 100% of your current pension and 45% of COLAs over your lifetime). COLAs are also called "escalators" in PFRS labor contracts.~~

- COLAs are approximately 18% of the total value of PFRS liabilities; ~~the~~ 55% of COLAs equate to a reduction of about 9.9%

- The value of the COLA to you depends largely upon your age and the size of your current pension; ~~yours could be more or less~~ 55% of COLAs equate to a reduction in liabilities of about 9.9%; ~~yours could be more or less~~

- ~~[Hard Freeze]~~ • The PFRS plan will be "frozen." The impact of this is to reduce liabilities by about \$55 million – or roughly 7.5% of the active employee liabilities, or 1% of the total PFRS liabilities.

Alternative B: Estimated Adjustments to Pension Benefits if either Class 10 or Class 11 Votes No on the Plan and No Outside Funding is Received and the Court Approves the Plan

~~No reduction in current and future monthly pension payments + elimination of 100% of COLAs~~

~~(i.e., you~~ • You will receive 100% of your current pension but no COLAs

¹ ~~The~~Under the Plan ~~also contemplates that~~, benefits may be reduced more than 55% of COLA for PFRS if one of the foundations or the DIA Corp. does not make its promised contribution. It cannot be predicted with any certainty at this time how much of a reduction may occur if such a funding default were to happen.

over your lifetime). ~~COLAs are also called "escalators" in PFRS labor contracts.~~

- o No reduction in current and future monthly pension payments
- o Elimination of 100% of COLAs

- COLAs are approximately 18% of the total value of PFRS liabilities; the value of the COLA to you depends largely upon your age and the size of your current pension; your total reduction could be more or less

~~The total average reduction is about 18%; yours could be more or less~~

- ~~[Hard Freeze]~~• The PFRS plan will be "frozen." The impact of this is to reduce liabilities by about \$55 million – or roughly 7.5% of the active employee liabilities, or 1% of the total PFRS liabilities.

Please see the charts attached to your Ballot to help you understand how these reductions and elimination of COLAs ("escalators") will affect the typical PFRS pension.

Pension Litigation and How It Affects the Plan

PFRS, GRS, the Retiree Committee, ~~two labor~~several unions and several associations representing the City's retirees have appealed from the Bankruptcy Court's ruling that found the City to be eligible to file its bankruptcy case and also held that accrued pension benefits could be reduced. The appeals are pending before the United States Court of Appeals for the Sixth Circuit.

The Outside Funding of \$816 million will not be available for PFRS or GRS if these appeals continue. The Outside Funding will only be available if these appeals are resolved, dismissed or withdrawn prior to approval of the Plan.

If the appeals continue and are successful and no further appeals or other legal actions are taken, then either the City's bankruptcy case may be dismissed (and no plan would be confirmed), or the appellate court may hold that, although the City may pursue a restructuring in this bankruptcy case, it cannot reduce or impair your pension (and the Plan could not be confirmed). In either case, the Outside Funding of \$816 million would not be available for PFRS and GRS.

Even if the appellate court decides that the City cannot legally reduce your pension, the City's financial problems mean that it would still not have enough

money to make the required pension contributions to PFRS or GRS. So you would still not be assured of receiving a full pension payment even if you had a legal right to a full pension payment.

If the appeals are unsuccessful and no further appeals or other legal actions are taken, then the Plan as written will be unaffected.

If the Plan is approved and the Outside Funding described in this Notice is approved, you will lose all of your rights to sue the City and the State to try to recover the full amount of your pension benefits under the Michigan Constitution or other laws.

Your PFRS Adjusted Pension Amount (Class 10)

Your already-accrued pension benefit amount, as it will be adjusted/reduced by the Plan as shown in the chart above, is called your "PFRS Adjusted Pension Amount." Your monthly pension amount will not change under the Plan, but the annual "escalators" or COLAs that you were entitled to will either be reduced or eliminated.

If you are currently a retiree or a surviving beneficiary drawing a pension, you will continue to receive ~~a revised~~ the same monthly pension ~~equal to your PFRS Adjusted Pension Amount~~ amount if the Plan is approved, but your annual "escalators" (or COLAs) will change. Your Ballot enclosed with this Notice contains the two scenarios that will affect your ~~new monthly PFRS Adjusted Pension Amount:~~ (i) a higher estimate COLAs under the Plan: (i) under Alternative A, your annual COLA will be reduced by 55%, but you will still receive 45% of your COLA if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received); and (ii) ~~a lower estimate~~ under Alternative B, your annual COLA will be eliminated if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received).

The City cannot ensure collection of the Outside Funding, and a failure to collect the Outside Funding may cause a further reduction in your PFRS Adjusted Pension Amount.

If you are a ~~terminated~~ former employee who has earned a pension but has not yet retired and begun to receive your pension, ~~you, too, will receive a revised~~ your starting monthly pension ~~equal to your PFRS Adjusted Pension Amount~~ amount upon your future retirement. will be your earned pension at the time of your termination, but your annual "escalators" (or COLAs) will be reduced or eliminated. Your Ballot enclosed with this Notice contains the two

scenarios that will affect your COLAs under the Plan: (i) under Alternative A, your annual COLA will be reduced by 55%, but you will still receive 45% of your COLA if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received); and (ii) under Alternative B, your annual COLA will be eliminated if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received).

If you are an active employee who is not currently collecting pension payments but ~~has~~you have earned a monthly pension based on employment with the City and you are currently vested in such monthly pension or you work enough years with the City before and after June 30, 2014 to become vested in such monthly pension, you will receive upon your future retirement a monthly pension equal to the sum of (i) your PFRS Adjusted Pension Amount, which will be the same starting monthly pension amount you earned as of June 30, 2014 under the current pension program, but your annual COLAs will be reduced or eliminated, plus (ii) your "New Accrued Pension." Your "New Accrued Pension" is the part of your pension that will be earned under a new "hybrid" pension plan based upon service from and after July 1, 2014. This is called the "New PFRS Active Pension Plan" in the Plan. Your Ballot enclosed with this Notice contains the two scenarios that will affect your ~~future monthly pension earned~~COLAs for your accrued benefits as of June ~~30~~20, 2014: ~~(i)~~ under the Plan: (i) under Alternative A, your annual COLA will be reduced by 55%, but you will still receive 45% of your COLA if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received); and (ii) under Alternative B, your annual COLA will be eliminated if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received). Neither of these estimates includes any amount attributable to any employment with the City from and after July 1, 2014, and they do not include any pension amount you will earn under the New PFRS Active Pension Plan after July 1, 2014.

PFRS Pension Reductions & the PFRS Adjusted Pension Amount

1. **If you are a current retiree or a surviving beneficiary who currently receives a monthly pension,** ~~then as soon as practical but no later than 90 days following the effective date of the Plan,~~ your monthly pension ~~will~~ amount will not change under the Plan. However, your annual "escalators" or COLAs will be either be reduced by ~~the loss of 55% of your COLA or by the loss of 100% of your COLA~~ or eliminated completely, depending on whether all of the Outside Funding is available. ~~For PFRS, COLAs represent about 18% of total PFRS liabilities. COLAs are also called "escalators" in PFRS labor contracts.~~ Over time, the loss of COLAs will affect younger retirees (or active employees with a vested pension benefit) more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs.

Example 1: John Smith is age 70. He currently receives a \$30,000 pension, plus he is entitled to an annual 2.25% increase (COLA or "escalator") in his current pension each July 1.

Alternative A: If Classes 10 and 11 accept the Plan, John Smith will continue to receive \$30,000 per year, and it will be increased annually by 45% of the COLA ("escalator") formula, or 1.0125%.

~~But if~~ Alternative B: If Classes 10 and 11 do not accept the Plan, John Smith will receive \$30,000 per year, and it will not be increased annually. He will receive \$30,000 annually for life.

2. **If you are a former employee who earned a vested pension before separation from employment with the City,** the starting monthly pension amount that you will be paid upon your future retirement will not change. However, your future annual "escalators" or COLAs will either be reduced ~~by the loss of 55% of your COLA or by the loss of 100% of your COLA below the pension amount you had earned at the time of your termination~~ or eliminated completely depending on whether all of the Outside Funding is available. ~~For PFRS, COLAs represent about 18% of total PFRS liabilities. COLAs are also called "escalators" in PFRS labor contracts.~~ Over time, the loss of COLAs will affect younger terminated employees with vested benefits more than it will affect older retirees because younger people can generally expect to receive more years of annual COLAs.

Example 2: Jane Jones is age 50. She terminated employment 10 years ago after serving 10 years as a firefighter. She has a right to

receive a \$30,000 pension at age 62, plus an annual 2.25% increase (COLA or "escalator") of her current annual pension each July 1.

Alternative A: If Classes 10 and 11 accept the Plan, Jones will receive at retirement \$30,000 per year, and it will be increased annually by 45% of the COLA ("escalator") formula, or 1.0125%.

~~But if~~ **Alternative B:** If Classes 10 and 11 do not accept the Plan, Jane Jones will receive \$30,000 per year, and it will not be increased annually. She will receive \$30,000 annually for life.

3. **If you are an active employee who has earned a monthly pension to be paid upon your future retirement**, you will continue to grow your pension under the current pension formula through June 30, 2014. At that point, your pension benefits will be frozen (meaning that you will not earn any more benefits under the current pension plan formula), and you will not be able to earn any additional pension amounts under the current PFRS pension formula. If the Plan is approved, your frozen monthly pension amount will be the same as your current pension earned as of June 30, 2014, but your future annual "escalators" or COLAs will either be reduced either by the loss of 55% of your COLA or by the loss of 100% of your COLA or eliminated entirely, depending on whether all of the Outside Funding is available. ~~You~~ If you work long enough (both before and after June 30, 2014) to become vested in your reduced frozen pension benefit, you will be able to receive your reduced frozen pension payment upon attaining a sufficient number of years of service as provided for under the current pension formula. As noted above, your reduced pension amount is called your "PFRS Adjusted Pension Amount." ~~For PFRS, these COLAs represent about 18% of total PFRS liabilities. COLAs are also called "escalators" in PFRS labor contracts.~~ Over time, the loss of COLAs will affect younger retirees (or active employees with vested pension benefits) more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs.

4. **If you are an active employee and you continue to work for the City after July 1, 2014**, you will also earn a new monthly pension under the New PFRS Active Pension Plan that will be paid at retirement along with your PFRS Adjusted Pension Amount. The monthly pension amount that you earn after July 1, 2014 is called your "**New Accrued Pension**." The pension formula for years of service after July 1, 2014 will be less generous than the formula that currently applies to your pension. For purposes of determining whether you are vested in your New Accrued Pension, your service with the City before and after July 1, 2014 will be taken into account. You will no longer be entitled to elect into a deferred

retirement option plan ("DROP"), either for your frozen benefit or for your New Accrued Pension. If you previously irrevocably elected into a DROP, you will continue to participate in the DROP in accordance with the terms of the bargaining agreement between the City and your union.

Example 3: John Johnson is age 42. As of June 30, 2014, he will have earned – based on his then salary and years of service – a \$30,000 annual pension. He also will have earned a right to a 2.25% annual increase (COLA or "escalator") in his annual pension each year following retirement. ~~Johnson works for another 10 years, and retires on July 1, 2024. Under the PFRS New Accrued Pension, he earns a \$7,500 annual pension for life.~~ If Classes 10 and 11 approve the Plan, Johnson's \$30,000 frozen accrued pension will be increased by 45% of the 2.25% COLA ("escalator") formula (*i.e.*, it will be increased annually by 1.0125%). Johnson works for another 10 years, and retires on July 1, 2024. Under the PFRS New Accrued Pension, he earns a \$7,500 annual pension for life.

Alternative A: At retirement, Johnson will receive the following: (i) an annual \$30,000 pension under the old formula with a 1.0125% COLA escalator, plus (ii) an annual \$7,500 pension under the PFRS New Accrued Pension, for a total annual pension for life of \$37,500 with the reduced COLA escalator payable on ~~\$30,000 of~~ his annual pension under the old formula.

~~But if~~ Alternative B: If Classes 10 and 11 do not approve the Plan, John Johnson will receive at retirement \$37,500 per year (\$30,000 + \$7,500), and it will not be increased annually. He will receive \$37,500 annually for life.

PFRS Pension Funding

5. **In the event that all of the Outside Funding is made available (a portion of which will be made available to PFRS) and that Classes 10 and 11 both have accepted the Plan,** during the period ~~from July 1, 2014~~ through June 30, 2023, contributions in the amount of approximately \$~~260~~ million will be made to PFRS. Other than the Income Stabilization funds discussed below, these are the only amounts that are contemplated to be contributed to PFRS during this period. These contributions will be paid only from the Outside Funding.

During this period, the City will not pay any money for PFRS pensions. If the Outside Funding is not paid as required by the Plan, it is not contemplated that the City would make up these amounts.

6. Beginning on and after July 1, 2023, approximately \$~~68~~ million in Outside Funding will be available for PFRS. The City will be responsible for contributing all other amounts annually determined by PFRS to be necessary to fund the PFRS pension trust and to enable PFRS to pay your PFRS Adjusted Pension Amount (and your New Accrued Pension, if you are an active employee). The City will make the necessary contributions from its future tax revenues and available cash.

PFRS Pension Restoration

7. The pension benefits reductions that are discussed in Paragraphs 1, 2 and 3 above may be restored, in whole or in part, if the funding level² of PFRS significantly improves and the PFRS trustees have complied with certain requirements described in the State Contribution Agreement. This restoration may occur if (a) the investment returns on PFRS assets are greater than certain specified thresholds or (b) other actuarially-determined factors contribute to improve the funding level of PFRS. In other words, if PFRS pension funding levels improve, your PFRS Adjusted Pension Amount may be increased, and some or all of your future COLA payments could be restored. Any pension restoration will be used to increase first, the COLA payments to retirees, surviving spouses, and beneficiaries in pay status as of June 30, 2014 up to 66% of the value of their COLAs; second, the COLA payments to retirees, surviving spouses, and beneficiaries in pay status as of the date that restoration is determined who were not in pay status as of June 30, 2014 up to 66% of the value of their COLAs; and third, ~~the COLA payments to all participants and beneficiaries in the PFRS, including~~ PFRS plan participants not in pay status as of the date that restoration is determined. ~~The precise amount of the restoration within these categories will be determined by the PFRS trustees, the majority of which will be independent trustees and independent advisors to the trustees. Under the Plan, the PFRS trustees may not increase your PFRS Adjusted Pension Amount if it causes PFRS to fall below an 80% funding level determined as of June 30, 2023. On or after June 30, 2023, the City and the~~

² "Funding level" means the market value of PFRS' assets as a percentage of PFRS' liabilities to all participants for PFRS Adjusted Pension Amounts projected forward to 2023 and later. For example, if (a) the market value of PFRS' assets were \$100 and (b) the amount of its liabilities to all participants for PFRS Adjusted Pension Amounts were also \$100, the "funding level" for PFRS would be 100%. If, however, (a) the market value of PFRS' assets were \$80 and (b) the amount of its liabilities were \$100, the "funding level" for PFRS would be 80%.

~~applicable unions representing safety employees, with the consent of the PFRS trustees, may restore any pension cuts without regard to the 80% funding level and increase the PFRS Adjusted Pension Amount to the extent it is prudent to do so and such increase is legally permitted.~~

During the nine-year period ending June 30, 2023, the pension restoration program generally will work as follows: The PFRS will establish a "restoration fund reserve account" within the pension system. Each year, the PFRS actuary will perform a projection of the funded status of the PFRS. If the actuarial projection demonstrates that the PFRS will be at least 78% funded as of June 30, 2023, then the PFRS assets not needed to achieve the 78% funding level will be allocated to the restoration fund reserve account. Restoration payments may be made in any given year, through June 30, 2023, if (a) the PFRS trustees have complied with certain requirements describe in the State Contribution Agreement, (b) the actuarial projection for that year demonstrates that the funding ratio exceeds 76% and (c) there are sufficient assets assigned to the restoration fund reserve account to fully fund the restoration payment amount over the expected lifespans of the recipients. In other words, if PFRS pension funding levels improve (and other criteria are met), a portion of your PFRS COLA ("escalator") payments in excess of 45% could be restored.

Restoration of COLA benefits, particularly until 2023, cannot be assured. After 2023, restoration of certain benefits may be possible, but it cannot be predicted at this time whether or when any restoration will occur.

Example 4: Under Alternative A, John Smith, age 70, is receiving a current \$30,000 annual pension and 45% ~~(or 1.0125%)~~ of his COLA escalator (which amounts to a 1.0125% escalator). In 2018, ~~the PFRS actuaries conclude that because of strong investment performance, the projected funding level of PFRS in 2023 will be 85%, and that \$200 million in current PFRS assets are available to restore COLAs in 2019. The PFRS trustees, based on the advice of the PFRS actuaries, determine that the \$200 million will fund restoration of all of the remaining COLA that was taken away. Beginning~~ concludes that the restoration reserve account has sufficient assets to fully fund an increase in COLA for Smith to 66% of his COLA escalator, and that the other conditions governing pension restoration are satisfied. On July 1, 2019, Smith will receive his \$30,000 pension as it was increased by the 1.0125% COLA until June 30, 2018 and ~~as it will be increased by a 2.25% COLA from and after July 1, 2019~~ with a 1.485% increase.

Fund for Income Stabilization

The trust agreements of each of GRS and PFRS will be amended to provide a supplemental pension income stabilization benefit ("**Income Stabilization Benefit**") to each Eligible Pensioner (defined below) equivalent to the lesser of (a) the amount needed to restore 100% of the individual's reduced pension payment to the amount of the pension payment that the Eligible Pensioner received in actual dollars in 2013; or (b) the amount needed to bring the total household income of the Eligible Pensioner up to 130% of the Federal Poverty Level in the year in which the pension is received.

The PFRS Income Stabilization Benefits will be paid from the Income Stabilization Fund of PFRS. The Income Stabilization Fund of PFRS will be funded with certain proceeds of a settlement with certain bond creditors, up to an aggregate amount of \$20 million to be divided between the Income Stabilization Fund of PFRS and the Income Stabilization Fund of GRS.

Under the Plan, PFRS will establish an "Investment Committee" for the purpose of making recommendations to the PFRS board of trustees with respect to certain financial matters. The Investment Committee will consist of five independent members and two or more non-independent members, which non-independent members may include employees of the City or members or retirees of PFRS, provided that at all times during the 20-year period following disbursement of the State Contribution, the independent members shall have at least 70% of the voting power. Each independent Investment Committee member shall possess, by reason of training or experience or both, a minimum level of expertise in managing or advising pension systems, all as agreed to by the City, the State and PFRS, after consultation with the Foundations.

In the event that, in 2022 (provided that the State has not issued a certificate of default with respect to PFRS at any time prior to 2022), it is the opinion of at least 75% of the independent members of the ~~board of trustees~~ Investment Committee of PFRS that the Income Stabilization Fund of PFRS has more assets than it needs to provide Income Stabilization Benefits, the PFRS Investment Committee may recommend to the board of trustees ~~may, in its sole discretion, permit that~~ the excess assets, in an amount not to exceed \$35 million ~~in the aggregate between both GRS and PFRS, to~~ be used to fund the Adjusted Pension Amounts payable by PFRS. In the event that any funds remain in the Income Stabilization Fund of

PFRS on the date upon which no Eligible Pensioners under PFRS remain, such funds shall be used to fund the Adjusted Pension Amounts payable by PFRS.

"**Eligible Pensioners**" are those retirees or ~~surviving spouses~~survivors who hold a Pension Claim and who are eligible to receive Income Stabilization Benefits because such Holder (a) is, as of the effective date of the Plan, at least 60 years of age or a minor child receiving survivor benefits from PFRS and (b) has an aggregate annual household income equal to or less than 140% of the Federal Poverty Level in 2013 (per their (or in the case of minor children, their legal guardian's) 2013 income tax returns or equivalent documentation). No new persons will be eligible to receive Income Stabilization Benefits at any time in the future, and any minor child receiving survivor benefits shall cease to be an Eligible Pensioner after he or she turns 18 years of age.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your pension. You will only have the right to your reduced pension benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims against the City.³ This is called the "**Comprehensive State Release.**" The Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State entities to restore pension benefits or argue that the City did not have the power to reduce pensions, even if you vote to reject the Plan. Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. If you are an**

³ ~~Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), the Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution.~~

active employee, the Comprehensive State Release does not release or discharge rights you have to your New Accrued Pension.

If the Bankruptcy Court confirms the Plan but does not approve the Comprehensive State Release (or if the other conditions to Outside Funding are not met), the State does not have to contribute its \$350 million State Contribution to the Pension Funds. If the State's money is not contributed, then none of the other sources of Outside Funding will make their payments, either. In that case, none of the \$816 million in contributions will be made to the pension plans, Alternative B will take effect, and your ~~pension benefit cuts will be at the higher levels set forth in the chart on page 7 (no COLA escalators)~~ COLAs will be eliminated.

Release by Claim Holders Accepting the Plan

The Plan also provides for an "Accepting Holders Release." The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are providing Outside Funding and their related entities **except for** such parties' gross negligence or willful misconduct, but only if the Initial Funding Conditions (which include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things) that can be satisfied before the Confirmation Hearing are satisfied or waived.

In other words, if you vote to accept the Plan, you ~~will~~ may not be allowed to sue the State, the City or any State individuals or entities to restore pension benefits or argue that the City did not have the power to reduce pensions.

However, if Classes 10 and 11 vote to accept the Plan, but the Initial Funding Conditions are not satisfied or waived before the Confirmation Hearing, then your vote to accept the Plan will be treated as a vote to reject the Plan, and the voluntary Accepting Holders Release will not apply to you.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding, the City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try

to recover the full amount of your pension, even though the Outside Funding will not be received.

BACKGROUND REGARDING DETROIT'S PENSION OBLIGATIONS

The City sponsors and provides its employees with pension benefits through two separate pension funds – the General Retirement System ("**GRS**") and the Police and Fire Retirement System ("**PFRS**"). Generally, if you were a uniformed police or fire-fighter employee, you receive your pension payments through PFRS and, if you were a non-uniformed employee, you receive your pension payments through GRS. Generally, before the bankruptcy, the City was required to contribute cash into the GRS and PFRS so that these pension funds would have enough money to pay the pensions that you earned during your employment by the City.

At the time the City filed for bankruptcy, both GRS and PFRS were underfunded. "Underfunded" means that GRS and PFRS have enough assets to pay pensions in the short term, but they do not have enough assets to pay all pensions in full over the long term. The amount of the underfunding is a debt that the City owes to each pension fund (and those entitled to receive benefits from that fund). The underfunding debt creates a "claim" in the City's bankruptcy. The Plan proposes to restructure this debt through reductions in your pension benefits, contributions of money by outside funders to the Retirement Systems and the City's promise to fund the reduced benefit levels going forward.

If you are either (i) retired, (ii) disabled or (iii) a surviving beneficiary of a City employee, and you are currently receiving a pension, you have a "**Pension Claim**" in the bankruptcy in connection with this underfunding debt. As a holder of a Pension Claim, you have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

Similarly, **if you are an active employee of the City (or a former employee) who has earned the right to a pension upon your future retirement based on your years of service with the City**, you also have a "**Pension Claim**" in the bankruptcy. As a holder of a Pension Claim, you also have a right to vote on how the City proposes to reduce your pension benefits and the other terms of the Plan.

BACKGROUND REGARDING DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On April ~~16~~²⁵, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to reduce pension benefits ~~benefits~~.

Along with the Plan, the City also filed a document called the "~~Second~~^{Third} Amended Disclosure Statement with Respect to ~~Second~~^{Third} Amended Plan for the Adjustment of Debts of the City of Detroit." ~~That document is referred to as the "Disclosure Statement."~~ The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;
- a description of how the Plan will restructure the City's debts for different types of creditors, including retirees and active or former City employees, by reducing or changing the amounts it will pay and the timing and terms of repayment;
- how the City proposes to implement the Plan;
- the legal effects of approval of the Plan by the Bankruptcy Court;
- instructions regarding voting on the Plan; and
- risk factors associated with the Plan.

Classification of Pension Claims in the Plan

Under the Plan, pension-related claims against the City are divided into different classes. Claims related to GRS pensions are in Class 11.

- If you participate in GRS, your Pension Claim is what the Plan calls a "GRS Pension Claim." Your GRS Pension Claim is included in Class 11 of the Plan.
- The amount of all GRS Pension Claims that has been estimated for purposes of voting on the Plan is \$1,976,000,000. This amount is equal to the estimated amount of the "underfunding" for GRS as of June 30, 2013. That is, it is equal to the difference between the market value of the assets in GRS as of June 30, 2013 and the present value of the liabilities of GRS (in other words, the total amount of all GRS pension benefits accrued by all City employees, former employees, retirees and survivors) as of June 30, 2013. If you are the holder of a GRS Pension Claim, the value of your GRS Pension Claim is equal to your share of this \$1,976,000,000 and, for voting purposes only, any estimated amount of the Annuity Savings Fund Recoupment (defined below). This amount is stated on the Ballot that you received with this Notice. The amount stated on your Ballot is the estimated amount of your GRS Pension Claim **only for purposes of voting** ~~on~~ counting votes for the Plan. **It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.**

If you have both a Pension Claim and a claim for retiree healthcare benefits (called an "OPEB Claim" in the Plan), you will get a separate Ballot for each claim. You will also get a different Notice in addition to this Notice.

- If you are an active or former employee who was not receiving a GRS pension as of March 1, 2014, the actual value of your pension will not be calculated until you retire. Your claim and your pension are different things. For purposes of counting votes for the Plan, your Ballot contains a rough estimate of your portion of the total GRS Pension Claim based on your age and years of service. It is not a promise by the City to pay that amount under the Plan. It is also not an estimate of your future pension checks.

If you or a deceased spouse worked for the Police or Fire Departments of the City of Detroit, you may also have a right to a pension from the Police and Fire Retirement System of the City of Detroit (the "PFRS"). If so, you will

receive a separate Notice and Ballot for voting your PFRS Pension Claim in Class 10 of the Plan.

If you are currently retired or are a surviving beneficiary, you also have a separate claim for retiree health or other post-employment benefits (an "OPEB Claim"). You will receive a separate Notice and Ballot for voting your OPEB Claim in Class 12 of the Plan.

The Solicitation Package and Voting

~~On [____], 2014, the Bankruptcy Court authorized the City to distribute the Plan and Disclosure Statement to its creditors and to solicit their votes to accept or reject the Plan. The Bankruptcy Court also authorized the City to send a paper copy of this Notice to you and others who receive pensions or retiree health or death benefits.~~ This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total the amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a reduction in your pension benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at www.kccllc.net/detroit; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC
2335 Alaska Avenue
El Segundo, CA 90245

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions

with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.

2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").
3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.
5. Letters from GRS and possibly others.
6. A Ballot for your GRS Pension Claim with instructions on how to complete the Ballot and Ballot return envelope. Your Ballot for your GRS Pension Claim has been customized to provide you with personalized information as to how the City estimates that the Plan will affect your monthly pension benefit payment if both pension classes (Class 10 and Class 11) either accept the Plan or if one or more of them rejects the Plan.

Please read the instructions, and complete, [sign](#) and return the Ballot early enough so that it will be actually received by the **Claims[Balloting](#) Agent in California by no later than ~~June 30~~[July 11](#), 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.**

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE PENSION BENEFITS***

The Plan provides for two alternatives for your pension benefits. Alternative A has lower pension reductions. Alternative B has higher pension reductions. Alternatives A and B are described in the chart on page 8. The amount of the pension reductions depends upon whether you and others in Class 11 and those in Class 10 (those holding PFRS Claims) vote to accept the Plan and the Outside Funding is received.

The Outside Funding

The Plan contemplates that \$816 million in funding from outside sources as a settlement of certain issues affecting the City and its retirees will be contributed to GRS and PFRS over 20 years ***if and only if both Classes 10 and 11 vote to accept the Plan.*** These outside sources are: (i) funders of the non-profit corporation that operates the Detroit Institute of Arts, (ii) 12 charitable foundations and (iii) the State of Michigan. Their collective contributions are called the **"Outside Funding."**

If one Class of pension claims votes to accept the Plan and the other Class of pension claims votes to reject the Plan, the Outside Funding for the pensions will not be available.
If both Classes of pension claims vote to reject the Plan, this additional Outside Funding for the pensions will not be available.

IN OTHER WORDS, BOTH CLASS 10 AND CLASS 11 MUST VOTE TO ACCEPT THE PLAN IN ORDER FOR THE OUTSIDE FUNDING TO BE CONTRIBUTED TO FUND PENSIONS.

~~Even if the Classes both vote to accept the Plan, there is a risk that the payments from the Outside Funding may not be made as promised. The Plan does not require the City to make up for any missed payments before June 30, 2023.~~

For a Class to vote to accept the Plan, more than two-thirds in amount of claims and one-half in number of Class members who actually vote must vote "YES" to accept the Plan.

There are other conditions to the receipt of the Outside Funding that must also be met for the money to be contributed. Those are described in the Plan. Therefore, even if Classes 10 and 11 both vote to accept the Plan, there is a risk that the payments from the Outside Funding may not be made as promised. The Plan does not require the City to make up for any missed payments.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES

If you vote to accept the Plan: You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will benefit if the Outside Funding is received, but you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases to try to recover the full amount of your pension.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release

of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

A summary chart showing the difference in estimated adjustments to pension benefits if Outside Funding is, or is not, received for GRS appears below.

Alternative A: Estimated Adjustments to Pension Benefits if Classes 10 and 11 Vote Yes on the Plan and Outside Funding is Received and the Court Approves the Plan¹²

~~4.5% reduction in current and future monthly pension payments²
+ elimination of COLA + Annuity Savings Fund Recoupment
(i.e., you~~ You will receive 95.5% of your current pension ~~but~~ and no "escalators" or COLAs over your lifetime and you will be subject to Annuity Savings Fund Recoupment)

o Three reductions apply: a 4.5% reduction in current and future monthly pension payments and elimination of COLAs and Annuity Savings Fund Recoupment

- COLAs are approximately 14.5% of ~~projected 2014~~ the total GRS liabilities; the value of the ~~COLA~~ COLAs to you depends largely upon your age and the size of your current pension
- Annuity Savings Fund Recoupment is expected to be about ~~78.8%~~ 78.8% of ~~projected 2014~~ the total GRS liabilities; your portion could be more or less
~~The total average reduction in GRS liabilities is about 25.3%; yours could be more or less~~

Alternative B: Estimated Adjustments to Pension Benefits if either Class 10 or Class 11 Votes No on the Plan and No Outside Funding is Received and the

¹² ~~The~~ Under the Plan ~~also contemplates that~~ benefits may be reduced by more than COLA + 4.5% + ASF Recoupment for GRS if one of the foundations or the DIA Corp. does not make its promised contribution. It cannot be predicted with any certainty at this time how much of a reduction may occur if such a funding default were to happen.

² ~~A 4.5% benefit reduction is about 3.8% of projected 2014 GRS liabilities before the elimination of COLA.~~

Court Approves the Plan

~~29% reduction in current and future monthly pension payments³~~

~~+ elimination of COLAs + Annuity Savings Fund Recoupment~~

~~(i.e., you~~ • You will receive ~~71~~73% of your current pension ~~but~~and no COLAs over your lifetime and you will be subject to Annuity Savings Fund Recoupment~~)~~

○ Three reductions apply: a 27% reduction in current and future monthly pension payments and elimination of COLA and Annuity Savings Fund Recoupment

• COLAs are approximately 14.5% of ~~projected 2014~~the total GRS liabilities; the value of the COLA to you depends largely upon your age and the size of your current pension

• Annuity Savings Fund Recoupment is expected to be about ~~78.8~~78.8% of ~~projected 2014~~the total GRS liabilities (after COLA); your portion could be more or less

~~The total average reduction in liabilities is about 46.26%; yours could be more or less~~

Please see the charts attached to your Ballot to help you understand how these reductions and elimination of COLAs ("escalators") will affect the typical GRS pension.

Pension Litigation and How It Affects the Plan

GRS, PFRS, the Retiree Committee, ~~two labor~~several unions and several associations representing the City's retirees have appealed from the Bankruptcy Court's ruling that found the City to be eligible to file its bankruptcy case and also held that accrued pension benefits could be reduced. The appeals are pending before the United States Court of Appeals for the Sixth Circuit.

³- ~~A 29% benefit reduction is about 24.76% of projected 2014 GRS liabilities before the elimination of COLA.~~

The Outside Funding of \$816 million will not be available for GRS or PFRS if these appeals continue. The Outside Funding will only be available if these appeals are resolved, dismissed or withdrawn prior to approval of the Plan.

If the appeals continue and are successful and no further appeals or other legal actions are taken, then either the City's bankruptcy case may be dismissed (and no plan would be confirmed), or the appellate court may hold that, although the City may pursue a restructuring in this bankruptcy case, it cannot reduce or impair your pension (and the Plan could not be confirmed). In either case, the Outside Funding of \$816 million would not be available for GRS and PFRS.

Even if the appellate court decides that the City cannot legally reduce your pension, the City's financial problems mean that it would still not have enough money to make the required pension contributions to GRS or PFRS. So you would still not be assured of receiving a full pension payment even if you had a legal right to a full pension payment.

If the appeals are unsuccessful and no further appeals or other legal actions are taken, then the Plan as written will be unaffected.

If the Plan is approved and the Outside Funding described in this Notice is approved, you will lose all of your rights to sue the City and the State to try to recover the full amount of your pension benefits under the Michigan Constitution or other laws.

Your GRS Adjusted Pension Amount (Class 11)

Your already-accrued pension benefit amount, as it will be adjusted by the Plan as shown in the chart above, is called your "GRS Adjusted Pension Amount" in the Plan.

The City cannot ensure collection of the Outside Funding, and a failure to collect Outside Funding may cause a further reduction in your GRS Adjusted Pension Amount. The Plan provides for the Detroit Water and Sewer Department to pay for its portion of the GRS underfunding over nine years. There is a risk that these payments may not be permitted.

If you are currently a retiree or a surviving beneficiary drawing a pension, you will receive a revised monthly pension equal to your GRS Adjusted Pension Amount. Your Ballot enclosed with this Notice contains ~~two scenarios~~

~~that will affect your new monthly GRS Adjusted Pension Amount: (i) a higher estimate if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received) and (ii) a lower estimate if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received).~~ estimates that reflect Alternative A and Alternative B.

~~The City cannot ensure collection of the Outside Funding, and a failure to collect Outside Funding may cause a further reduction in your GRS Adjusted Pension Amount.~~

If you are a ~~terminated~~former employee who has earned a pension but has not yet retired and begun to receive your pension, you, too, will receive a revised monthly pension equal to your GRS Adjusted Pension Amount upon your retirement. Your Ballot enclosed with this Notice contains estimates that reflect Alternative A and Alternative B.

If you are an active employee who is not currently collecting pension payments but has earned a monthly pension based on your employment with the City, you will receive upon your future retirement a monthly pension equal to the sum of (i) your GRS Adjusted Pension Amount plus (ii) your "New Accrued Pension." Your "New Accrued Pension" is the part of your pension that will be earned under a new "hybrid" pension plan based upon service from and after June 30, 2014. This is called the "New GRS Active Pension Plan" in the Plan. Your Ballot enclosed with this Notice contains two ~~scenarios that~~ estimates that reflect Alternative A and Alternative B, which will affect your future monthly pension earned as of July 1, 2014: ~~(i) if Classes 10 and 11 vote to accept the Plan (and the Outside Funding is received) and (ii) if either Class 10 or Class 11 votes to reject the Plan (and the Outside Funding is not received).~~ Neither of these scenarios includes any pension attributable to any employment with the City from and after July 1, 2014, and they do not include any pension amount you will earn under the New GRS Active Pension Plan after July 1, 2014.

If you maintained an Annuity Savings Fund account at any time during the period July 1, 2003 through June 30, 2013, ~~you also will be subject to your~~ GRS Adjusted Pension Amount will include an adjustment to your Annuity Savings Fund account (if you are an active employee or a terminated employee with an Annuity Savings Fund account) or in your monthly pension check (if you are a retiree ~~or a surviving spouse~~ who has received a total distribution from the Annuity Savings Fund or a survivor of such a retiree under an annuity that provides survivor benefits) in an effort to recover

certain excess interest that was credited to your Annuity Savings Fund account during this 10-year period. More information on these adjustments is set forth below under the heading "GRS Annuity Savings Fund Recoupment."

GRS Pension Reductions & the GRS Adjusted Pension Amount

1. **If you are a current retiree or a surviving beneficiary who currently receives a monthly pension**, then as soon as practical ~~but no later than [90] days~~ following the effective date of the Plan, your monthly pension will be reduced by either 4.5-29% or 27% (depending on whether ~~all of~~ the Outside Funding is available), **and if you are a current retiree who maintained an Annuity Savings Fund account between July 1, 2003 and June 30, 2013**, you will be subject to the Annuity Savings Fund Recoupment described on pages ~~1314-1819~~ below. The reduction in total GRS liabilities represented by the Annuity Savings Fund Recoupment is estimated to be ~~a 7~~an average 8.8% reduction of total GRS liabilities; your individual percentage reduction could be more or less. ~~If you participated in and received a distribution from the Annuity Savings Fund between July 1, 2003 and June 30, 2013, the reduction in your monthly pension will be greater than if you had not participated at all.~~ In addition, you will not receive any future COLAs to your pension payments. For GRS, these COLAs represent about 14.5% of total GRS liabilities. Over time, the loss of COLAs will affect younger retirees (or active employees with a vested pension benefit) more than it will affect older retirees because younger people can generally expect to receive more years of annual COLAs. Finally, if you participated in and received a distribution from the Annuity Savings Fund between July 1, 2003 and June 30, 2013, the reduction in your monthly pension will be greater than if you had not participated at all.

2. **If you are a former employee who voluntarily or involuntarily terminated employment with the City but earned a vested pension before separation**, the monthly pension amount that you will be paid upon your future retirement will be reduced by either 4.5-29% or 27% (depending on whether ~~all of~~ the Outside Funding is available), **and** you will be subject to the Annuity Savings Fund recoupment described on pages ~~1314-1819~~ below. The reduction in GRS liabilities represented by the Annuity Savings Fund Recoupment is estimated to be ~~a 7~~an average 8.8% reduction of total GRS liabilities; your individual percentage reduction could be more or less. ~~If you participated in and received a distribution from the Annuity Savings Fund between July 1, 2003 and June 30, 2013, the reduction in your future monthly pension will be greater than if you had not participated at all.~~ In addition, you will not receive any future COLAs to your pension payments. For GRS, COLAs represent about 14.5% of total GRS

liabilities. Over time, the loss of COLAs will affect younger terminated employees with vested benefits more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs: ("escalators"). Finally, if you participated in and received a distribution from the Annuity Savings Fund between July 1, 2003 and June 30, 2013, the reduction in your future monthly pension will be greater than if you had not participated at all.

3. **If you are an active employee who has earned a monthly pension to be paid upon your future retirement**, you will continue to grow your pension under the current pension formula through June 30, 2014. At that point, your pension benefits will be frozen (meaning that you will not earn any more benefits under the current GRS pension plan formula), ~~and you will not be able to earn any additional pension amounts under the current GRS pension formula.~~ If the Plan is approved, your frozen monthly pension amount will be reduced by either 4.5-29% or 27% (depending on whether ~~all of~~ the Outside Funding is available), and you will be subject to the Annuity Savings Fund Recoupment described on pages ~~1314-1819~~ below. ~~The reduction in GRS liabilities represented by the Annuity Savings Fund Recoupment is estimated to be a 7% reduction; your individual percentage reduction could be more or less.~~ You will be able to receive your reduced frozen pension payment upon attaining a sufficient number of years of service as provided for under the current pension formula. As noted above, your reduced pension amount is called your "GRS Adjusted Pension Amount." In addition, you will not receive any future COLAs ("escalators") to your pension payments. For GRS, COLAs represent about 14.5% of total GRS liabilities. Over time, the loss of COLAs will affect younger retirees (or active employees with vested pension benefits) more than it will affect older retirees because younger people generally can expect to receive more years of annual COLAs.

In addition, if you participate in the Annuity Savings Fund and continue to maintain an Annuity Savings Fund account, your Annuity Savings Fund account will be reduced by an amount equal to a portion of the excess investment earnings that were credited to that account during the years 2003 through 2013. If you are an active employee who participated in the Annuity Savings Account and already received a total distribution from the Annuity Savings Fund, then the reduction in your frozen monthly pension amount upon your future retirement will be greater than if you had not participated. The reduction in GRS liabilities represented by the Annuity Savings Fund Recoupment is estimated to be an average 8.8% of total GRS liabilities; your individual percentage reduction could be more or less. More information on Annuity Savings Fund Recoupment is described on pages ~~1314-1819~~ below.

4. **If you are an active employee and you continue to work for the City after July 1, 2014**, you will also earn a new monthly pension under the New GRS Active Pension Plan that will be paid at retirement along with your GRS Adjusted Pension Amount. The monthly pension amount that you earn after July 1, 2014 is called your "**New Accrued Pension**." The pension formula for years of service after July 1, 2014 will be less generous than the formula that currently applies to your pension.

GRS Pension Funding

5. **In the event that all of the Outside Funding is made available (a portion of which will be made available to GRS) and that Classes 10 and 11 both have accepted the Plan**, during the period ~~from July 1, 2014~~ through June 30, 2023, contributions ~~in the approximate amount of~~ over \$~~_____~~700 million will be made to GRS. Other than the Income Stabilization funds discussed below, these are the only amounts that will be contributed to GRS during this period. These contributions will be paid only from ~~accelerated~~ contributions from the Detroit Water & Sewer Department, from other City sources and from the Outside Funding. If the Outside Funding is not paid as required by the Plan, it is not contemplated that the City would make up these amounts.

6. Beginning on and after July 1, 2023, the City will be responsible for contributing all amounts annually determined by GRS to be necessary to fund the GRS pension trust and enable GRS to pay your GRS Adjusted Pension Amount (and your New Accrued Pension, if you are an active employee). The City will make the ~~necessary~~ contributions from its available cash and approximately \$~~_____~~188 million from the Outside Funding during the ten year period from July 1, 2023 through June 30, 2033.

GRS Pension Restoration

7. The pension benefits reductions that are discussed in Paragraphs 1, 2 and 3 above may be restored, in whole or in part, if the funding level⁴³ of GRS significantly improves. This restoration may occur if (a) the investment returns on

⁴³ "Funding level" means the market value of GRS' assets as a percentage of GRS' liabilities to all participants for GRS Adjusted Pension Amounts projected forward to 2023 and later. For example, if (a) the market value of GRS' assets were \$100 and (b) the amount of its liabilities to all participants for GRS Adjusted Pension Amounts were also \$100, the "funding level" for GRS would be 100%. If, however, (a) the market value of GRS' assets were \$80 and (b) the amount of its liabilities were \$100, the "funding level" for GRS would be 80%.

GRS assets are greater than certain specified thresholds or (b) other actuarially-determined factors contribute to improve the funding level of GRS.

During the nine-year period ending June 30, 2023, the pension restoration program generally will work as follows: The GRS will establish a "restoration fund reserve account" within the pension system. Each year, the GRS actuary will perform a projection of the funded status of the GRS. If ~~approved by the trustees of the GRS (or of any successor trust or pension plan),~~ the actuarial projection demonstrates that the GRS will be at least 75% funded as of June 30, 2023, then the GRS assets not needed to achieve the 75% funding level will be allocated to the restoration fund reserve account. Restoration payments may be made in any given year; through ~~2043~~ June 30, 2023, if (a) the GRS trustees have complied with certain requirements describe in the State Contribution Agreement, (b) the actuarial projection for that year demonstrates that the funding ratio exceeds 75%, (c) there are sufficient assets ~~in~~ assigned to the restoration fund reserve account to ~~make~~ afully fund the restoration ~~payments~~ payment amount over the expected lifespans of the recipients, and (d) the GRS funding level ~~is at least 70% in the year of the~~ restoration payment exceeds a certain threshold. In other words, if GRS pension funding levels improve (and other criteria are met), your GRS Adjusted Pension Amount may be increased, and some or all your future COLA ("escalator") payments could be restored.

Restoration of benefits, particularly until 2023, cannot be assured. After 2023, restoration of certain benefits may be possible, but it cannot be predicted at this time whether or when any restoration will occur.

GRS Annuity Savings Fund Recoupment

8. *What is the Annuity Savings Fund?* The Annuity Savings Fund ("ASF") is a voluntary, individual account pension program that operates within the GRS pension plan. If an employee chooses to participate in the ASF, a pension account is established for the employee, and he or she may voluntarily contribute 3%, 5% or 7% of gross pay, on an after-tax basis, to that account. The GRS trustees invest these contributions with other GRS assets. The GRS trustees are granted discretion to determine the annual interest to be credited on the employee contributions to the ASF accounts, and each employee's ASF account increases in value based upon the interest amounts that the GRS trustees credit to the ASF accounts. After 25 years of service, an active employee may elect to withdraw from his or her ASF account some or all of the accumulated contributions plus the investment earnings credited to that individual account. An active employee may borrow up to 50% of his or her ASF account. Upon retirement, an employee may

elect to receive a lump sum distribution, or to annuitize some of his or her ASF account balance, which is added to his or her monthly pension payment and is separately identified on a retiree's pension check. Any portion of the ASF balance that is not annuitized upon retirement is paid to the retiree in a partial or total lump sum distribution at the retiree's request.

"Excess Interest" to be Recovered. During the period from 2003 through 2013, the GRS trustees credited to employee ASF accounts annual interest of no less than 7.9%, and in some years more than 7.9%, based upon actuarial computations. The ASF accounts essentially were treated as a guaranteed investment program, where, each year, ASF account holders would receive a return of at least 7.9%, regardless of the actual market investment returns on the assets in GRS. For example, in fiscal year 2009, the value of the assets that supported the Annuity Savings Fund accounts actually lost 19.67% percent of their value, but the GRS trustees credited the ASF account with 7.9% in interest. So, even though an ASF account holder who might have had \$10,000 in his or her ASF account in 2009 actually lost 19.67% in market value and should have had only a balance of \$8,033 in his or her account, instead his or her account was credited as having \$10,790.

The City believes that, as a result of these practices, there was too much, or "excess," interest credited to the ASF accounts, and that assets were diverted from the money available to fund GRS participants' monthly defined benefit pensions. The City estimates that, using actual market returns between 0% and 7.9% for crediting purposes,⁵⁴ **over \$387 million of excess interest was credited to the ASF accounts collectively during the period from July 1, 2003 through June 30, 2013.** It is the City's belief that the \$387 million represents money that was diverted from the general GRS asset pool during this period and that should have been used to fund all GRS participants' monthly defined benefit pensions.

In designing the Plan, the City addressed the following question: (i) should the Plan contain higher across-the-board pension cuts for all GRS participants and not try to recover a portion of the excess ASF interest credits, or (ii) should it recover a portion of the excess ASF interest credits, which would result in lower across-the-board pension cuts for all GRS participants? The City decided on the second choice and, therefore, there will be both across-the-board pension cuts and a recovery of excess ASF interest credits. **As a result, the across-the-board cuts will be lower.**

⁵⁴ This range is consistent with the range approved by a City Council ordinance in 2011.

Specifically, as part of the Plan, some, but not all, of these "excess" amounts related to the over-crediting of interest to ASF ~~account~~accounts will be recovered by (i) offsetting current ASF accounts of active or terminated employees and/or (ii) reducing monthly pension checks of current or future retirees and their survivors under annuities that provide survivor benefits. Persons participating in the ASF during the period from July 1, 2003 through June 30, 2013 will be affected. This recovery will be in addition to the other reductions to your accrued pension described in this Notice.

There will be a cap on what is recovered. Specifically, ~~(a) for an~~any active or former employee ~~that still maintains an Annuity Savings Fund account and has not received any distributions from the Annuity Savings Fund or retiree~~, the recovery will be limited to **20%** of the highest value of such participant's ~~Annuity Savings Fund~~ASF account balance ~~as of between July 1, 2003 and~~ June 30, 2013 (including any unpaid loans taken by the participant from his or her ASF account); ~~(b) for an active or former employee that still maintains an Annuity Savings Fund account and has received any distribution from the Annuity Savings Fund other than a total distribution, the recovery will be limited to 20% of the sum of (i) the value of such participant's Annuity Savings Fund account as of June 30, 2013 and (ii) all distributions received by such participant from as of such date).~~ The 20% cap described above is not the amount of the reduction from your pension as a result of the Annuity Savings Fund Recoupment. Using a 20% cap, the City believes that approximately \$230 million of excess interest was credited to the ASF accounts collectively during the period from July 1, 2003 through June 30, 2013; ~~and (c) for a retiree or current or former employee who has already taken a total distribution from the ASF, the recovery will be limited to 20% of the amount of your distribution received from the Annuity Savings Fund (including, in each case, any unpaid loans taken by the participant from his or her ASF account).~~

Under the Plan, the recovery – called "**recoupment**" in the Plan – will work as follows using the 20% cap:

a. Active or Terminated Employee Recoupment. For each active employee, or terminated employee, who continues to maintain an ASF account in GRS, the City will recalculate that employee's ASF account value by applying the "Actual Return." The "**Actual Return**" means the actual net return percentage on invested GRS assets for each year from July 1, 2003 through June 30, 2013 unless the return is greater than 7.9% (in which case 7.9% will be used) or less than 0% (in which case 0% will be used). The difference between the value of your re-calculated ASF account using the Actual Return and the actual value of your ASF account as of June 30, 2013 is your "**Annuity Savings Fund Excess**

Amount." For an active or terminated employee who has received any distribution from the Annuity Savings Fund other than a total distribution, the difference between (i) the sum of (A) the value of such participant's Annuity Savings Fund account as of June 30, 2013 and (B) all distributions received by such participant from the Annuity Savings Fund during the period beginning July 1, 2003 and ending June 30, 2013 and (ii) the value of your Annuity Savings Fund account as of June 30, 2013 calculated using the Actual Return will be your Annuity Savings Fund Excess Amount.

Your Annuity Savings Fund Excess Amount, *subject to the 20% cap described above*, will then be deducted from your ASF account and irrevocably contributed to the pool of all GRS assets. The pool of all GRS assets can be used to fund all GRS participants' Adjusted Pensions. For those who took partial distributions, some of the recovery may also be deducted from your future pension checks. Your Class 11 GRS Ballot will show your Annuity Savings Fund Excess Amount as calculated by the City. **Even with the recovered amount, your Annuity Savings Fund account value after recoupment will be greater than the amounts you actually contributed into the Annuity Savings Fund and will reflect all interest credited by the GRS trustees to your Annuity Savings Fund account for the plan years prior to June 30, 2003.**

b. Recoupment from Persons who Previously Took Total Annuity Savings Fund Account Distributions. For each GRS participant who participated in the Annuity Savings Fund ("**ASF**") at any time during the period from July 1, 2003 through June 30, 2013, but who has already received a total distribution from the ASF, the City will re-calculate that participant's ASF account value by applying the "Actual Return." "**Actual Return**" means the actual net return percentage on invested GRS assets for each year from July 1, 2003 through June 30, 2013 unless the return is greater than 7.9% (in which case 7.9% will be used) or less than 0% (in which case 0% will be used). Your "**Annuity Savings Fund Excess Amount**" shall be the difference between (i) the value of your ASF account as of the date of distribution from the Annuity Savings Fund, provided such date falls between July 1, 2003 and June 30, 2013, and (ii) the value your ASF account as of such date, using the Actual Return. Your Annuity Savings Fund Excess Amount will be capped at 20% of your ~~distribution received from the Annuity Savings Fund and~~ highest ASF account balance during the period July 1, 2003 through June 30, 2013 and that amount will then be converted into monthly annuity amounts based on your life expectancy and other factors. The monthly Annuity Savings Fund Excess Amount will be deducted from your monthly pension check (and the pension check of your survivor, if you receive an annuity

that provides a survivor benefit). Your Class 11 GRS Ballot will show (i) the Annuity Savings Fund Excess Amount and (ii) the monthly amount that will be deducted from your monthly GRS pension payments.

Further, for a retiree who is receiving a pension as of June 30, 2014, the total reduction to your current annual pension (i.e., your reduction from the 4.5% cut and your Annuity Savings Fund Recoupment) will not exceed 20% of your current annual pension.

Example 1: Jeffrey Gray is age 70. He currently receives a \$30,000 GRS pension, plus he is entitled to an annual 2.00% increase (COLA or "escalator") in his \$30,000 pension each July 1. He also participated in the ASF program, and on January 1, 2010 he took a \$100,000 distribution of his ASF account. The value of his Annuity Savings Fund Excess Amount is \$25,000 ~~but~~. Assuming that Gray's highest ASF account balance was \$100,000, the recoupment amount will be capped at \$20,000 (or 20% of Gray's highest ASF ~~distribution~~ balance). When the \$20,000 is converted into a monthly annuity for life, it is equivalent to a \$2,271 annual pension.

Alternative A: If Classes 10 and 11 approve the Plan, Jeffrey Gray's pension will be reduced to \$26,379. This represents a \$3,621 reduction in his pension. Of the \$3,621, \$2,271 is attributable to the Annuity Savings Fund Excess Amount, and \$1,350 is attributable to the 4.5% across-the-board pension reduction. Gray will begin to receive \$26,379 per year, and it will not be increased annually. He will receive \$26,379 annually for life ~~(unless some of his pension cuts are restored, as in example 3 below, in which case his annual pension will increase).~~

~~But if~~ **Alternative B:** If Classes 10 and 11 do not approve the Plan, Gray will begin to receive ~~\$19,029~~ 19,629 per year, and it will not be increased annually. He will receive ~~\$19,029~~ 19,629 annually for life ~~(unless some of his pension cuts are restored, as in example 3 below, in which case his annual pension will increase).~~

Example 2: Robert Green is age 42 and an active employee. As of June 30, 2014, he will have earned – based on his then salary and years of service – a \$30,000 annual pension. He also will have earned

a right to a 2.00% annual increase (COLA or "escalator") in that \$30,000 pension each year following retirement. Green also has participated for the last 10 years in the ASF, and his account has a value of \$100,000. The value of his Annuity Savings Fund Excess Amount is \$25,000, ~~but applying.~~ Assuming that Green's highest ASF account value between July 1, 2003 and June 30, 2013 was \$110,000, application of the 20% cap will bring ~~that~~ the recoupment amount down to ~~\$20,000~~ \$22,000. Green works for another 10 years, and retires on July 1, 2024. Under the New GRS Accrued Pension, he earns a \$7,500 pension for life.

Alternative A: If Classes 10 and 11 approve the Plan, Green's \$30,000 frozen accrued pension is reduced to \$28,650, and he loses the right to the 2.00% COLA ("escalator"). In addition, his ASF account will be reduced in value from \$100,000 to ~~\$80,000~~ \$78,000. When he retires in 10 years, Johnson will receive the following: (i) the then value of his ASF account; and (ii) an annual \$28,650 pension under the old formula ~~(or more, if his pension cuts are restored, as in example 3 below);~~ plus ~~(iii)~~ an annual \$7,500 pension under the GRS New Accrued Pension, for a total annual pension for life of \$36,150. The pension amount will not be increased annually.

~~But if~~ **Alternative B:** If Classes 10 and 11 do not approve the Plan, Green's ASF account will be reduced in value by \$22,000. Green will receive at retirement ~~\$28,800 per year at retirement (\$21,300 + \$7,500), and it will not be increased annually~~ (i) the then value of his ASF account (previously reduced by \$22,000); and (ii) an annual pension of \$21,900 under the frozen pension formula plus an annual \$7,500 pension under the GRS New Accrued Pension for a total annual pension of \$29,400 for life. He will receive ~~\$28,800~~ \$29,400 annually for life ~~(unless some of his pension cuts are restored, as in example 3 below, in which case his annual pension will increase).~~

~~**Example 3:** Jill Blue, age 60, has her current \$30,000 annual pension reduced to \$26,864 per year. Jill Blue also had previously received a distribution from her ASF account of \$100,000, and \$25,000 of that sum constituted Annuity Savings Fund Excess Amount, but applying the 20% cap will bring that amount down to \$20,000. Of the \$3,136 reduction in Blue's pension, \$1,786 is attributable to the annuity value~~

~~of her \$20,000 Annuity Savings Fund Excess Amount. The remainder of the reduction, \$1,350, is attributable to the 4.5% across-the-board pension cuts. In 2018, the GRS actuaries conclude that, because of strong investment performance, the projected funding level of GRS in 2023 will be 85%, and that \$200 million in current GRS assets are available to restore some of the cuts that took place in 2014. The GRS trustees, based on the advice of the GRS actuaries, determine that the \$200 million will fund 30% of the across-the-board pension cut that was taken away. 30% of \$1,350 is \$405. Beginning July 1, 2018, Jill Blue will have \$405 of her pension restored and will receive \$27,269 for life.~~

Fund for Income Stabilization

The trust agreements of each of GRS and PFRS will be amended to provide a supplemental pension income stabilization benefit ("**Income Stabilization Benefit**") to each Eligible Pensioner (defined below) equivalent to the lesser of (a) the amount needed to restore 100% of the individual's reduced pension payment to the amount of the pension payment that the Eligible Pensioner received in actual dollars in 2013; or (b) the amount needed to bring the total household income of the Eligible Pensioner up to 130% of the Federal Poverty Level in the year in which the pension is received.

The GRS Income Stabilization Benefits will be paid from the Income Stabilization Fund of GRS. The Income Stabilization Fund of GRS will be funded with certain proceeds of a settlement with certain bond creditors, up to an aggregate amount of \$20 million to be divided between the Income Stabilization Fund of GRS and the Income Stabilization Fund of PFRS.

Under the Plan, GRS will establish an "**Investment Committee**" for the purpose of making recommendations to the GRS board of trustees with respect to certain financial matters. The Investment Committee will consist of five independent members and two or more non-independent members, which non-independent members may include employees of the City or members or retirees of GRS, provided that at all times during the 20-year period following disbursement of the State Contribution, the independent members shall have at least 70% of the voting power. Each independent Investment Committee member shall possess, by reason of training or experience or both, a minimum level of expertise in managing or

advising pension systems, all as agreed to by the City, the State and GRS, after consultation with the Foundations.

In the event that, in 2022 (provided that the State has not issued a certificate of default with respect to GRS at any time prior to 2022), it is the opinion of at least 75% of the independent members of the ~~board of trustees~~ Investment Committee of GRS that the Income Stabilization Fund of GRS has more assets than it needs to provide Income Stabilization Benefits, the GRS Investment Committee may recommend to the board of trustees ~~may, in its sole discretion, permit that~~ the excess assets, in an amount not to exceed \$35 million ~~in the aggregate between both GRS and PFRS~~, ~~to~~ be used to fund the Adjusted Pension Amounts payable by GRS. In the event that any funds remain in the Income Stabilization Fund of GRS on the date upon which no Eligible Pensioners under GRS remain, such funds shall be used to fund the Adjusted Pension Amounts payable by GRS.

"**Eligible Pensioners**" are those retirees or surviving spouses who hold a Pension Claim and who are eligible to receive Income Stabilization Benefits because such Holder (a) is, as of the effective date of the Plan, at least 60 years of age or a minor child receiving survivor benefits from GRS and (b) has an aggregate annual household income equal to or less than 140% of the Federal Poverty Level in 2013 (per their (or in the case of minor children, their legal guardian's) 2013 income tax returns or equivalent documentation). No new persons will be eligible to receive Income Stabilization Benefits at any time in the future, and any minor child receiving survivor benefits shall cease to be an Eligible Pensioner after he or she turns 18 years of age.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your pension. You will only have the right to your reduced pension benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims

against the City.⁶ This is called the "**Comprehensive State Release.**" The Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State entities officials to restore pension benefits or argue that the City did not have the power to reduce pensions, even if you vote to reject the Plan. Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. If you are an active employee, the Comprehensive State Release does not release or discharge rights you have to your New Accrued Pension.**

If the Bankruptcy Court **confirms the Plan but** does not approve the Comprehensive State Release, the State does not have to contribute its \$350 million State Contribution to the Pension Funds. If the State's money is not contributed, then none of the other sources of Outside Funding will make their payments, either. In that case, none of the \$816 million in contributions will be made to the pension plans, **Alternative B will take effect,** and your pension benefit cuts will be at the higher levels set forth in the chart on page 7 (~~29~~27% reduction + elimination of COLA + Annuity Savings Fund Recoupment).

Release by Claim Holders Accepting the Plan

The Plan also provides for an "**Accepting Holders Release.**" The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are providing Outside Funding and their related entities **except for** such parties' gross negligence or willful misconduct, **but only if the Initial Funding Conditions (which include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things) that can be satisfied before the Confirmation Hearing are satisfied or waived.**

~~⁶ Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), the Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution.~~

In other words, if you vote to accept the Plan, you ~~will~~may not be allowed to sue the State, the City or any State individuals or entities to restore pension benefits or argue that the City did not have the power to reduce pensions.

However, if Classes 10 and 11 vote to accept the Plan, **but the Initial Funding Conditions are not satisfied or waived before the Confirmation Hearing, then your vote to accept the Plan will be treated as a vote to reject the Plan, and the voluntary Accepting Holders Release will not apply to you.**

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding, the City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

**NOTICE REGARDING PROPOSED CHANGES TO
POST-EMPLOYMENT HEALTHCARE BENEFITS
IN THE CITY'S PLAN OF ADJUSTMENT**

Introduction

This Notice gives retirees or surviving beneficiaries who are currently receiving non-pension post-employment healthcare and other welfare benefits from the City of Detroit a short summary as to how the City's proposed plan of adjustment (the "**Plan**") and the restructuring described in the Plan will affect your future retiree health and death benefits.

This Notice provides you with:

- background information about the process for approval of the Plan by the Bankruptcy Court, and

- details about how the proposed Plan will impact your benefits.¹

¹ Notice for Employees and Retirees of the Detroit Public Library. This Notice and the accompanying Ballot relate to the modification of the City's obligations for OPEB Benefits for those who participate in the City's retiree healthcare plans and programs. To any extent the City has any obligations to the Library's current or former employees by virtue of their participation in the City's OPEB plans or programs, the City believes that the City's obligations may be modified in the City's bankruptcy case. Therefore, you are being provided with this Notice and the related Ballot. The Library's obligations to current and former employees for pension and OPEB Benefits are separate from any obligation the City may have, however. Your vote on the City's Plan affects only any obligation the City may have and does not change the Library's obligations for OPEB Benefits.

IF APPROVED BY THE BANKRUPTCY COURT, THE CITY'S PLAN OF ADJUSTMENT WILL REDUCE YOUR RETIREE HEALTH AND RETIREE DEATH BENEFITS. ~~YOU CAN VOTE FOR OR AGAINST THE PLAN, BUT~~ YOU CAN VOTE FOR OR AGAINST THE PLAN, BUT YOU CANNOT AVOID A REDUCTION IN YOUR RETIREE HEALTH BENEFITS OR RETIREE DEATH BENEFITS BY REFUSING TO VOTE ON THE PLAN.

YOUR VOTE MATTERS.

PLEASE READ THIS ENTIRE NOTICE CAREFULLY. DETAILS OF HOW TO OBTAIN ADDITIONAL INFORMATION REGARDING THE CONTENTS OF THIS NOTICE ARE PROVIDED BELOW.

BACKGROUND REGARDING DETROIT'S RETIREE HEALTHCARE OBLIGATIONS

The City provides to its retirees, and their spouses and dependents, health insurance (including dental and vision benefits) and retiree death benefits – these are known in the Plan as "**OPEB**" (Other Post-Employment Benefits). ~~These~~The healthcare, dental and vision benefits are completely unfunded. This means the City has not set aside money to pay these benefits. In the case of death benefits, the City provides a lump sum benefit upon the death of an employee and certain retirees who make voluntary contributions to fund this benefit. The City has established a trust account into which contributions made by retirees, employees and the City have been deposited. This account has enough money to provide approximately 96% of the expected death benefits. Therefore, this account is ~~also~~ underfunded.

Historically, the City has paid the cost of annual retiree health, dental and vision insurance benefits or stipends on a "pay-as-you-go" basis from its General Fund. The cost to provide retiree health, dental and vision insurance to retirees during the course of their retirement and the underfunding associated with the death benefit trust account are also debts of the City. Those debts also create a claim in the bankruptcy. This is called the "**OPEB Claim**" in the Plan. The City proposes to turn over the responsibility of providing OPEB benefits to new entities in the Plan and to contribute to those new entities only a fixed sum for future retiree health, dental and vision benefits rather than the full cost of those benefits.

If, as of March 1, 2014, you were a retiree, or surviving beneficiary of a retiree, and you are receiving, or entitled to receive, health insurance (including dental and vision benefits) and/or you are covered by the death benefit program so that your survivors are eligible for death benefits from the City, you have an OPEB Claim in the bankruptcy. Active employees do not have an OPEB Claim. As a holder of an OPEB Claim as of March 1, 2014, you have a right to vote on how the City proposes to reduce and restructure your retiree health and retiree death benefits and the other terms of the Plan.

BACKGROUND REGARDING DETROIT'S PLAN FOR THE ADJUSTMENT OF ITS DEBTS

The Plan and Disclosure Statement

On April ~~16~~²⁵, 2014, the City of Detroit filed the Plan. The Plan is a legal document that contains the terms of the City's proposed restructuring. Among other things, the Plan proposes to restructure OPEB benefits.

Along with the Plan, the City also filed a document called the "~~Second~~^{Third} Amended Disclosure Statement with Respect to ~~Second~~^{Third} Amended Plan for the Adjustment of Debts of the City of Detroit." That document is referred to as the "**Disclosure Statement.**" The Disclosure Statement provides more detailed information on various aspects of the proposed Plan and the City's bankruptcy case including, among other things:

- the circumstances leading up to the City filing for bankruptcy;
- key events during the bankruptcy case;
- a description of how the Plan will restructure the City's debts for different types of creditors, including retirees and active or former City employees, by reducing or changing the amounts it will pay and the timing and terms of repayment;
- how the City proposes to implement the Plan;
- the legal effects of approval of the Plan by the Bankruptcy Court;
- instructions regarding voting on the Plan; and
- risk factors associated with the Plan.

Classification of OPEB Claims in the Plan

Under the Plan, claims against the City are divided into different classes. Claims related to retiree healthcare and death benefits – OPEB Claims – are in Class 12.

OPEB (Retiree Health (Including Vision and Dental) and Death Benefits)

If you are a retiree or a surviving beneficiary and are receiving retiree health benefits, or are entitled to retiree death benefits from the City, you are a holder of what the Plan calls an "OPEB Claim," and it is included in Class 12 of the Plan. As a holder of an OPEB Claim, you are entitled to vote on the Plan. The City generally requires that, to be eligible for retiree health benefits, a retiree must be receiving monthly pension payments from GRS or PFRS. Therefore, most people who hold an OPEB Claim also hold either a GRS pension claim in Class 11 or a PFRS pension claim in Class 10.

The estimated amount of all OPEB Claims for purposes of voting on the Plan is ~~\$3,334,400,000~~\$3,711,700,000. This amount represents the estimated present value of the cost of the City's future obligations, as of June 30, 2013, for the City to continue to provide retiree health benefits (including dental and vision) and death benefits into the future under the programs that were in effect at the time the City filed its chapter 9 petition. If you are the holder of an OPEB Claim, the estimated value of your OPEB Claim is equal to your share of this ~~\$3,334,400,000~~\$3,711,700,000 and is stated on the Ballot that you received with this Notice. Your share is calculated based in part on your age and life expectancy, and also on the projected cost of future health care. The claim amount stated on your Ballot is the estimated amount of your OPEB Claim **only for purposes of voting** on the Plan. It is not the value of your OPEB benefits, and it is not a promise by the City to pay that amount under the Plan.

If you have both a Pension Claim and an OPEB Claim, you will get a separate Ballot for each claim. You will also get a different Notice in addition to this Notice.

The Solicitation Package and Voting

On [_____], 2014, the Bankruptcy Court authorized the City to distribute the Plan and Disclosure Statement to its creditors and to solicit their votes to accept or reject the Plan. The Bankruptcy Court also authorized the City to send a paper copy of this Notice to you and others who receive pensions or retiree health or death benefits. This Notice and the other documents are intended to provide you with information on how the terms of the Plan will affect your benefits in the future. The accompanying Ballot is intended to allow you to cast your vote to accept or reject the Plan.

Your vote for or against the Plan will be counted and reported to the Bankruptcy Court and included in (i) the total number of votes cast for or against the Plan in your class and (ii) the total amount of claims voting either for or against the Plan. **Your vote matters. You cannot avoid a modification in your OPEB benefits by refusing to vote.**

If you would like to receive a paper copy of the Plan and the Disclosure Statement, you may obtain one, free of charge, by:

- calling the City's toll-free restructuring hotline at (877) 298-6236;
- visiting the City's restructuring website at *www.kccllc.net/detroit*; or
- writing to the City's claims and noticing agent at the following address:

City of Detroit c/o Kurtzman Carson Consultants LLC
2335 Alaska Avenue
El Segundo, CA 90245

The package containing this Notice should also contain the following materials:

1. A cover letter describing: (a) the materials you received along with this Notice; (b) the contents of the enclosed CD-ROM and instructions with respect to its use; and (c) information about how to obtain, at no charge, paper copies of any materials provided on the CD-ROM.
2. A paper copy of the notice of the hearing before the Bankruptcy Court to consider whether to confirm – i.e., approve – the City's Plan (the "**Confirmation Hearing Notice**").

3. A CD-ROM containing the Plan and Disclosure Statement and exhibits to them that have been filed as of the date of this mailing (all of which are also available at no charge via the internet at <http://www.kccllc.net/detroit>).
4. A letter from the City recommending that you vote to accept the Plan.
5. A letter from the Retired Detroit Police and Fire Fighters Association and possibly other parties.
6. A Ballot for your OPEB Claim with instructions on how to complete the Ballot and a Ballot return envelope. Your Ballot also contains information necessary for you to either accept or reject the Plan and its proposed treatment of your OPEB Claim in Class 12.

Please read the instructions, and complete and return the Ballot early enough so that it will be actually received by the **ClaimsBalloting Agent in California by no later than ~~June 30~~July 11, 2014. Note that it may take several days from the date on which you mail your Ballot for the Ballot to reach the Balloting Agent in California. Ballots that are faxed or emailed will not be accepted.**

***HOW THE PLAN TO ADJUST DETROIT'S DEBTS
AFFECTS YOUR FUTURE OPEB (RETIREE HEALTH, DENTAL, VISION
& DEATH BENEFITS)***

Under the Plan, the City will no longer sponsor and maintain retiree health or death benefits programs for existing retirees, surviving beneficiaries and their dependents. Instead, the City will establish two voluntary employees' beneficiary association trusts (known as a "VEBA") – one for PFRS-related retirees and one for GRS-related retirees. The two VEBAs will be responsible for providing retiree health benefits beginning January 1, 2015 to existing retirees, surviving beneficiaries and their eligible dependents.

Detroit [General](#) VEBA for General City Retirees

Under the Plan, the City will establish the Detroit [General](#) VEBA to provide health benefits to Detroit's non-police and non-fire retirees, surviving spouses and their eligible dependents. The Detroit [General](#) VEBA will be governed by a board of trustees that will be responsible for, among other things, management of property held by the Detroit [General](#) VEBA, administration of the Detroit [General](#) VEBA and determination of the level of and distribution of benefits to Detroit [General](#) VEBA beneficiaries. The board will be comprised of retiree representatives and independent professionals, and the composition of the initial board will be approved by the Bankruptcy Court. The board members will be appointed by the City, or by other entities based upon further discussion with union representatives, [retiree associations](#) and the Retiree Committee. The board will have the authority to determine who is eligible to receive retiree health benefits from the VEBA, and the annual level, design and cost of such benefits.

Under the Plan, the City will provide the Detroit [General](#) VEBA with its share of a note to be issued to non-pension unsecured creditors. If the City does not make the payments under the note, the persons who operate and manage the Detroit [General](#) VEBA will have the right to sue the City for payment. The Detroit [General](#) VEBA trustees may also, in their discretion, seek to "sell" or monetize the note in the market to generate more up-front cash for the Detroit [General](#) VEBA.

How much the Detroit [General](#) VEBA trustees may spend on retiree healthcare in any particular year is unknown at this time. It is also unknown how long the money in the Detroit [General](#) VEBA trust will last because that will depend upon

the benefits to be provided. It is likely, however, that the amount of the note to be provided to the Detroit [General](#) VEBA by the City under the Plan in satisfaction of the OPEB Claim will not be enough to provide the same level of benefits over the long term as the City began providing to retirees and surviving beneficiaries in March 2014.

Further, the value of the healthcare that may be provided to retirees by the Detroit [General](#) VEBA trust or (any other trust that may be created) is subject to various factors, including but not limited to: whether or not a retiree is eligible for Medicare (generally 65 or older) or Medicaid (depending on income level and state residency); costs of future premiums, co-pays and deductibles; whether the Affordable Care Act continues in effect, and if so, in what form; and whether tax credits that currently exist to reduce healthcare costs to low-to-middle income persons continue.

If the Plan is approved by the Bankruptcy Court, regardless of your vote on the Plan, the new Detroit [General](#) VEBA board of trustees will make the determination of what level and form of healthcare benefits will be provided to current retirees based on the amount of money available to the Detroit [General](#) VEBA trust under the Plan and the exercise of their reasonable discretion.

Detroit Police and Fire VEBA

Under the Plan, the City will establish the Detroit Police and Fire VEBA to provide health benefits to retired employees of the Detroit Police Department and the Detroit Fire Department who do not participate in (or have the right to participate in) the GRS and their surviving beneficiaries and eligible dependents. The Detroit Police and Fire VEBA will be governed by a board of trustees that will be responsible for, among other things, management of property held by the Detroit Police and Fire VEBA, administration of the Detroit Police and Fire VEBA and determination of the level of and distribution of benefits to Detroit Police and Fire VEBA beneficiaries. The board will be comprised of retiree representatives and independent professionals, and the composition of the initial board will be approved by the Bankruptcy Court. The board members will be appointed by the City, the Retiree Committee and the Retired Detroit Police and Fire Fighters Association. The board will have the authority to determine who is eligible to receive retiree health or other welfare benefits, including death benefits, from the VEBA, and the annual level, design and cost of such benefits.

Under the Plan, the City will provide the Detroit Police and Fire VEBA with its share of a note to be issued to non-pension unsecured creditors. If the City does not make the payments under the note, the persons who operate and manage the Detroit Police and Fire VEBA will have the right to sue the City for payment. The Detroit Police and Fire VEBA trustees may also, in their discretion, seek to "sell" or monetize the note in the market to generate more up-front cash for the Detroit Police and Fire VEBA.

How much the Detroit Police and Fire VEBA trustees may spend on retiree healthcare benefits in any particular year is unknown at this time. It is also unknown how long the money in the Detroit Police and Fire VEBA trust will last because that will depend upon the benefits to be provided. It is likely, however, that the amount of the note to be provided to the Detroit Police and Fire VEBA by the City under the Plan in satisfaction of the OPEB Claim will not be enough to provide the same level of benefits over the long term as the City began providing to retirees and surviving beneficiaries in March 2014.

Further, the value of the healthcare that may be provided to retirees by the Detroit Police and Fire VEBA trust or (any other trust that may be created) is subject to various factors, including but not limited to: whether or not a retiree is eligible for Medicare (generally 65 or older) or Medicaid (depending on income level and state residency); costs of future premiums, co-pays and deductibles; whether the Affordable Care Act continues in effect, and if so, in what form; and whether tax credits that currently exist to reduce healthcare costs to low-to-middle income persons continue.

If the Plan is approved by the Bankruptcy Court, regardless of your vote on the Plan, the new Detroit Police and Fire VEBA board of trustees will make the determination of what level and form of healthcare benefits will be provided to current retirees based on the amount of money available to the Detroit Police and Fire VEBA trust under the Plan and the exercise of their reasonable discretion.

Death Benefits

The City provides the death benefit program through a separate trust fund. The death benefit trust fund will not be merged into or operated by either the Detroit [General](#) VEBA or the Detroit Police and Fire VEBA. Instead, the City will no longer have responsibility to contribute money into the existing death benefit trust fund. The trustees of the death benefit trust will continue to manage the trust assets and employ the staff of the Retirement Systems to administer the timely

disbursement of benefits. The costs of administration will be borne by the assets of the trust.

Active employees as of March 1, 2014 do not have an OPEB Claim. Future OPEB benefits, if any, for active employees will be subject to the terms of future contracts between the City and its active employees.

PLAN RELEASES

If the Plan is confirmed, it will be binding on you. You will have no right to demand that the City pay you the full original amounts it owed for your OPEB benefits. You will only have the right to your modified OPEB benefits under the Plan.

Comprehensive State Release

In addition to protection from further claims against the City that is a standard part of any plan of adjustment, the Plan also proposes to grant to the State of Michigan, its officials and certain other related parties a comprehensive release of any obligation they might have with respect to your pension claim and other claims against the City.⁺ Specifically, this release would release all claims and liabilities arising from or related to the City, the chapter 9 case (including the authorization given to file the chapter 9 case), the Plan and exhibits thereto, the Disclosure Statement, PA 436 and its predecessor or replacement statutes, and Article IX, § 24 of the Michigan Constitution. This is called the "**Comprehensive State Release.**" The Bankruptcy Court will have to approve this Comprehensive State Release, and it may not do so. If the Comprehensive State Release is approved, **you will not be allowed to sue the State, the City or any State entities to restore OPEB benefit modifications, even if you vote to reject the Plan.** For the avoidance of doubt, the Plan does not release, waive or discharge obligations of the City that are established in the Plan or that arise from and after the effective date of the Plan with respect to (i) pensions as modified by the Plan or (ii) labor-related obligations.

Release by Claim Holders Accepting the Plan

The Plan also provides for an "**Accepting Holders Release.**" The Accepting Holders Release would be granted by individual creditors by their accepting the Plan. This means that if you individually vote to accept the Plan, you will be personally releasing the City and its related entities, the State and its related entities, the Retiree Committee, the members of the Retiree Committee, the Retiree Committee professionals, the foundations and other organizations who are

In other words, if you vote to accept the Plan, you will not be allowed to sue the State, the City or any State entities to restore OPEB benefit modifications.

The City of Detroit, Michigan (the "City") is soliciting votes with respect to the Plan, which is described in the accompanying ~~Second~~Third Amended Disclosure Statement with Respect to ~~Second~~Third Amended Plan for the Adjustment of Debts of the City of Detroit (April ~~16~~25, 2014) (as it may be amended, supplemented or modified, the "Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court on April [____], 2014. By orders entered on March 11, 2014 and April [____], 2014, the Bankruptcy Court approved procedures regarding the solicitation and tabulation of votes on the Plan.

You are receiving this Ballot because, as of March 1, 2014, (a) you were an active employee or former employee of the City, (b) you were not receiving pension payments and (c) you are a Holder of a PFRS Pension Claim.

Your PFRS Pension Claim has been temporarily allowed in the estimated amount of \$[_____] only for the purpose of voting on the Plan. The actual amount of the claim may change before the end of the bankruptcy case.

The Plan proposes two possible treatments for PFRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the PFRS will receive money from proposed settlements with third-party foundation funders, the Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced, but only to the extent that the amount of COLA received in the future is reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

~~**RELEASES:** If you vote to accept the Plan, you will:~~ **You may** be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension. ~~If, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.~~

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

ALTERNATIVE A: If both Class 10 (the PFRS Pension Claims) and Class 11 (the GRS Pension Claims) vote to accept the Plan and the Court approves the Plan, the Outside Funding will be contributed to PFRS. Under this alternative, you can calculate your potential future monthly pension payment as follows:

Line 1: Perform the ~~simple~~ calculation set forth on Annex I to this Ballot to determine the annual amount of your total retirement allowance. Enter the result here: _____

Line 2: Divide the amount from Line 2 by 12 and enter the result here: _____

The amount you entered in Line 2 is your estimated initial future monthly pension payment (the "Initial Monthly Pension").

Your Initial Monthly Pension will increase by a COLA escalator (up to 1.0125% ~~escalator~~) each year following your retirement.

The amount of the PFRS liabilities that is represented by the hard freeze of PFRS as of June 30, 2013 is ~~{ \$ _____ }~~ approximately \$55 million – or roughly 7.5% of the active employee liabilities, or ~~— 1 %~~ of the total PFRS liabilities.

ALTERNATIVE B: If either Class 10 or Class 11 votes to reject the Plan and the Court approves the Plan, the Outside Funding will not be contributed to PFRS. ~~Under this alternative, you can calculate~~ The amount you entered in Line 2 under Alternative A above would be your potential future monthly pension payment ~~as follows; under the Plan. You would not receive any COLA “escalators” following your retirement.~~

~~Line 1: Perform the simple calculation set forth on Annex I to this Ballot to determine the annual amount of your total retirement allowance. Enter the result here: _____~~

~~Line 2: Divide the amount from Line 1 by 12 and enter the result here: _____~~

~~The amount you entered in Line 2 is your estimated future monthly pension payment.~~

The amount of the PFRS liabilities that is represented by the hard freeze of PFRS as of June 30, 2013 is ~~{ \$ _____ }~~ approximately \$55 million - or roughly 7.5% of the active employee liabilities, or ~~— 1 %~~ of the total PFRS liabilities.

~~In addition, if you vote for the Plan and the adjusted pension amount you are to receive under the Plan is so low that your total income falls below a certain level, you may be eligible to receive supplemental payments. These additional payments will not be available to higher income retirees.~~

For more information regarding the calculation of the amount of your allowed claim and your monthly pension payments, please consult with your counsel and/or counsel to PFRS.

~~**THE PURPOSE OF THE DISCLOSURE STATEMENT:** The Disclosure Statement and the summary of the Plan included with this Ballot contain information to assist you in making an informed decision whether to accept or reject the Plan. Copies of the Plan and Disclosure Statement are contained on the CD included in your package of solicitation materials, and they are also available via the internet at <http://kcelle.net/detroit> or <http://www.detroitmi.gov>.~~

~~**THE STANDARDS FOR CONFIRMING THE PLAN**~~

- (a) ~~Required Vote for Class 10 to Accept the Plan: Class 10 will be considered to have accepted the Plan if the holders of at least two thirds in amount and more than one half in number of the PFRS Pension Claims in Class 10 who actually vote, vote to accept the Plan.~~
- (b) ~~Required Vote to Confirm the Plan: At least one class that is not being paid in full must vote to accept the Plan.~~
- (c) ~~Standard to Confirm the Plan if Class 10 Does Not Vote to Accept the Plan: If at least one qualifying class votes to accept the Plan, the Bankruptcy Court may confirm the Plan if it finds that the Plan (i) provides fair and equitable treatment to, and does not unfairly discriminate against, Class 10 and (ii) otherwise satisfies the requirements of sections 943 and 1129(b) of the Bankruptcy Code.~~
- (d) ~~Binding Effect of Confirmation of the Plan: If the Plan is confirmed by the Bankruptcy Court, it will be binding on you whether or not you vote, and whether you vote to accept or reject the Plan.~~

Annex I

Pension Benefit Estimation Calculator

If you were hired prior to 1-1-69 (OLD PLAN)

Your total retirement allowance (pension plus annuity) is equal to two and one-half percent (2.50%) of your average final compensation multiplied by your years of credited service, not to exceed 25 years. The pension portion cannot exceed fifteen/twenty-seconds (15/22) of the maximum earnable compensation of a patrolman/firefighter.

Average final compensation is the average of the "maximum rate of pay" fixed by the budget, at the time of your termination, of your rank or ranks held during your last five years of service (effective July 1, 2000, last three years for DPCOA and Executive members and their Fire equivalents), plus the value of your last full longevity payment.

Members hired prior to 1-1-69 also have the option to retire under the "New Plan" provisions, which are discussed below.

If you were hired on or after 1-1-69 (NEW PLAN)

Your total retirement allowance (pension plus annuity) is equal to two and one-half percent (2.50%) of your average final compensation for the first 25 years of credited service and two and one-tenth percent (2.10%) for years beyond 25 to a maximum of 35 years of service.

Average final compensation is the same as under the "Old Plan."

~~BALLOTS MAY NOT BE SUBMITTED BY FAX, EMAIL OR OTHER ELECTRONIC MEANS.~~

Ballots may not be submitted by fax, email or other electronic means.

¹ Capitalized terms used in this Ballot and the attached instructions that are not otherwise defined have the meanings given to them in the Plan.

~~PLEASE CONTACT THE BALLOTING AGENT IF YOU HAVE QUESTIONS REGARDING THE BALLOT RETURN INSTRUCTIONS~~ Please contact the Balloting Agent if you have questions regarding the ballot return instructions. PLEASE NOTE, HOWEVER, THAT THE BALLOTING AGENT IS NOT PERMITTED TO PROVIDE LEGAL ADVICE.

The City of Detroit, Michigan (the "City") is soliciting votes with respect to the Plan, which is described in the accompanying ~~Second~~Third Amended Disclosure Statement with Respect to ~~Second~~Third Amended Plan for the Adjustment of Debts of the City of Detroit (April ~~16~~25, 2014) (as it may be amended, supplemented or modified, the "Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court on April [____], 2014. By orders entered on March 11, 2014 and April [____], 2014, the Bankruptcy Court approved procedures regarding the solicitation and tabulation of votes on the Plan.

You are receiving this Ballot because you are a ~~retired~~-Holder of a PFRS Pension Claim as of March 1, 2014 (the "Pension Record Date").

Your PFRS Pension Claim has been temporarily allowed in the estimated amount of \$[_____] only for the purpose of voting on the Plan. The actual amount of the claim may change before the end of the bankruptcy case.

The Plan proposes two possible treatments for PFRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the PFRS will receive money from proposed settlements with third-party foundation funders, The Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced, but only to the extent that the amount of COLA received in the future is reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

~~RELEASES: If you vote to accept the Plan, you will:~~ You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension. ~~If, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.~~

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

ALTERNATIVE A: If both Class 10 (the PFRS Pension Claims) and Class 11 (the GRS Pension Claims) vote to accept the Plan and the Court approves the Plan, the Outside Funding will be contributed to PFRS. Under this alternative, your monthly pension payments will stay the same, except that you will only receive 45% of your cost of living adjustments, sometimes called “escalators” (“COLA”):

Current Monthly Pension Payment: \$[_____]

~~Your~~ You will continue to receive your ~~Current Monthly Pension Payment as~~ current monthly pension payment and it will increase by a COLA escalator (up to 1.0125% -escalator) each year.

ALTERNATIVE B: If either Class 10 or Class 11 votes to reject the Plan and the Court approves the Plan, the Outside Funding will not be contributed to PFRS. Under this alternative, your monthly pension payments will stay the same, ~~and but~~ you will not receive any COLA. ~~Thus, you will continue to receive your escalators.~~ Your current monthly pension amount, ~~which is [_____], and it~~ will not be increased in the future.

In addition, if you vote ~~for to accept~~ the Plan and the adjusted pension amount you are to receive under the Plan is so low that your total income falls below a certain level, you may be eligible to receive supplemental payments. These additional payments will not be available to higher income retirees.

For more information regarding the calculation of the amount of your allowed claim and your monthly pension payments, please consult with your counsel and/or counsel to the Retiree Committee.

~~**THE PURPOSE OF THE DISCLOSURE STATEMENT:** The Disclosure Statement and the summary of the Plan included with this Ballot contain information to assist you in making an informed decision whether to accept or reject the Plan. Copies of the Plan and Disclosure Statement are contained on the CD included in your package of solicitation materials, and they are also available via the internet at <http://kcelle.net/detroit> or <http://www.detroitmi.gov>.~~

~~**THE STANDARDS FOR CONFIRMING THE PLAN**~~

- ~~(a) **Required Vote for Class 10 to Accept the Plan:** Class 10 will be considered to have accepted the Plan if the holders of at least two thirds in amount and more than one half in number of the PFRS Pension Claims in Class 10 who actually vote, vote to accept the Plan.~~
- ~~(b) **Required Vote to Confirm the Plan:** At least one class that is not being paid in full must vote to accept the Plan.~~
- ~~(c) **Standard to Confirm the Plan if Class 10 Does Not Vote to Accept the Plan:** If at least one qualifying class votes to accept the Plan, the Bankruptcy Court may confirm the Plan if it finds that the Plan (i) provides fair and equitable treatment to, and does not unfairly discriminate against, Class 10 and (ii) otherwise satisfies the requirements of sections 943 and 1129(b) of the Bankruptcy Code.~~
- ~~(d) **Binding Effect of Confirmation of the Plan:** If the Plan is confirmed by the Bankruptcy Court, it will be binding on you whether or not you vote, and whether you vote to accept or reject the Plan.~~

Pension Benefit Estimation Calculator

Your service retirement allowance is based on your years of credited service, your age and your average final compensation. "Average final compensation" means the average of the annual compensation paid you by the City during the period of 36 consecutive months of service which produces the highest average. The 36 consecutive months used must occur within your last 120 months of service. You have the option of receiving an Unused Sick Leave on Retirement payout of 25% of your unused sick leave (normally 50%) and having the value of the payout added to the earnings used to compute your average final compensation. CET changes: Unused Sick Leave on Retirement- Any sick leave accumulated after July 17, 2012 and remaining unused at retirement will not be paid out. Sick Time Inclusion in Final Average Compensation -The inclusion of sick time in an employee's Final Average Compensation will be discontinued. The implementation date is December 1, 2012.

Your retirement allowance consists of the following 3 amounts:

1. A basic pension of \$12 for each full year of service, but not to exceed \$120.
2. A pension allowance equal to the sum of 1.6% times your first 10 years of credited service, plus 1.8% times each year of service greater than 10 years up to 20 years, plus 2.0% times each year of service greater than 20 years up to 25 years, plus 2.2% times each year of service over 25 years; multiplied by your average final compensation. CET changes: The multiplier has been reduced to 1.5% for service time earned subsequent to July 17, 2012 and the escalator eliminated. The implementation date is December 1, 2012.
3. An annuity, provided you made contributions for it and you do not withdraw those funds at the time of retirement. The annuity portion depends on the balance in your account and your age on your retirement date.

The City of Detroit, Michigan (the "City") is soliciting votes with respect to the Plan, which is described in the accompanying ~~Second~~Third Amended Disclosure Statement with Respect to ~~Second~~Third Amended Plan for the Adjustment of Debts of the City of Detroit (April ~~16~~25, 2014) (as it may be amended, supplemented or modified, the "Disclosure Statement"). The Disclosure Statement was approved by the Bankruptcy Court on April [____], 2014. By orders entered on March 11, 2014 and April [____], 2014, the Bankruptcy Court approved procedures regarding the solicitation and tabulation of votes on the Plan.

You are receiving this Ballot because you are a retired Holder of a GRS Pension Claim as of March 1, 2014 (the "Pension Record Date").

Your GRS Pension Claim has been temporarily allowed in the estimated amount of \$[_____] only for the purpose of voting on the Plan. The actual amount of the claim may change before the end of the bankruptcy case.

The Plan proposes two possible treatments for GRS Pension Claims, described below as "Alternative A" and "Alternative B." The results of the voting on the Plan will determine whether the GRS will receive money from proposed settlements with third-party foundation funders, The Detroit Institute of Arts and the State of Michigan (the "Outside Funding"). The Outside Funding also depends, in part, on Bankruptcy Court approval of the settlements and the fulfillment by the outside funders of their respective commitments.

You cannot avoid a reduction of your pension benefits by refusing to vote. If the Plan is confirmed, your pension will be reduced.

NOTICE REGARDING EFFECT OF VOTING ON RELEASES OF CLAIMS

~~RELEASES: If you vote to accept the Plan, you will:~~ You may be giving up any right you may have to sue the State of Michigan, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension. ~~If, only if the necessary conditions (the "Initial Funding Conditions") for the funding from the State and the other Outside Funding parties that can be satisfied before the Confirmation Hearing are satisfied or waived. These preconditions include adoption of relevant legislation and appropriations by the State and completion of necessary agreements and documents by the State and the other Outside Funding parties, among other things.~~

If you vote to accept the Plan and the Initial Funding Conditions are not satisfied or waived: Your vote will be deemed a vote to reject the Plan.

If you vote to reject the Plan: If you vote to reject the Plan, it will be less likely that the Outside Funding will be available. Nevertheless, if Classes 10 and 11 vote to accept the Plan so that the State funding will be made despite your vote to reject the Plan, you will not have any right to sue the State of Michigan, State officials, the City or other entities specifically protected by the Plan releases, to try to recover the full amount of your pension, but you will benefit if the Outside Funding is received.

If both Classes 10 and 11 reject or are deemed to reject the Plan AND the State and the other Outside Funding parties are NOT required to provide the Outside Funding: The City may or may not still seek court approval of a release of all claims you may have against the State, public officials and other entities to try to recover the full amount of your pension, even though the Outside Funding will not be received.

ALTERNATIVE A: If both Class 10 (the PFRS Pension Claims) and Class 11 (the GRS Pension Claims) vote to accept the Plan and the Court approves the Plan, the Outside Funding will be contributed to GRS. Under this alternative, your monthly pension payments are estimated to change as follows:

ALTERNATIVE B: If either Class 10 or Class 11 votes to reject the Plan and the Court approves the Plan, the Outside Funding will not be contributed to GRS. Under this alternative, your monthly pension payments are estimated to change as follows:

In addition, if you vote for the Plan **and** the adjusted pension amount you are to receive under the Plan is so low that your total income falls below a certain level, you may be eligible to receive supplemental payments. These additional payments will not be available to higher income retirees.

For more information regarding the calculation of the amount of your allowed claim and your monthly pension payments, please consult with your counsel and/or counsel to the Retiree Committee.
